G. C. MURPHY COMPANY

14-16 West Main Street
MOUNT JOY, PA.

August 20, 1953

Dear Mrs. Housewife:

Would you like a chance to earn extra money for those little extras we all find ourselves wishing for? If so, this letter will be of interest to you.

Briefly the situation is this. We here at Murphy's need regular salespeople to work for us everyday in the week. We also need extra salespeople to help us out Friday and Saturday's. We thought perhaps you might be free to help us out in one of the times mentioned above and at the same time help make your wishes come true.

Perhaps you may think the hours would not be suitable for you. Why not stop in and talk it over with us on what hours you can work.

Let us tell you about the work - - -

Murphy's is as pleasant a place to work as it is to shop. With so many different lines of merchandise, it is quite probable that we can place you where your interest lies. For example; if you enjoy needlework, you should find our Art Goods counter most fascinating, helping customers to make wise selections and helping them with their problems. Or consider the possibilities in working with womens' and misses' dresses, infant's wear, boy's wear and womens' undergarment wear.

Please stop in and let us tell you about our "housewife's" schedule and show you through the store. Look us over, meet some of our employees, and see for yourself what a pleasant place Murphy's can be to earn some extra money. You will also receive a 10% discount on all purchases at our store.

Cordially yours,

H. C. Schmidt
Manager

P. S. If you are not interested perhaps you may have a friend or relative that may be.
