 The kids at Mount Joy High School are really pretty excited about the Miss Pennsylvania of Mount Joy High School contest, which is sponsored by the Jr. Chamber of Commerce. The candidates, which are nominated by their respective classes, or friends, by means of a petition, may go around soliciting votes. But it must be understood that the students are only to sign once. The candidate with the most votes is then chosen

queen and there are two attendants. The Jr. Chamber of Commerce will count these votes. Cash awards and gifts will be presented to the Queen and her attendants.

On Friday, Oct. 2, the Student Council is sponsoring the first dance of the year. It is to be informal and is called "The Fall Frolic". I'm sure this dance will be a great success and enjoyed by everybody who attends.  
 The main event this last week for the band, was the parade Wednesday night at Ephrata. It was really quite a parade, with bands coming from all areas to show off their marching skill. A different kind of marching was showed off by the numer-

ous drum and bugle corps which were present.

Thursday afternoon, an assembly was held at which the band played. The different captains of the different sports gave speeches and encouraged students to come out for them. Also speeches were given concerning cheer leading, and the school newspaper "Hi Crier." Through these different speeches, in some different way or other, the captains stressed the importance of good sportsmanship and also of winning your position on the team on a competitive basis. It was also mentioned that because of the loss of many of the players thru graduation, that there was a need

for some new boys to try for the teams.

"The News Magazine of the Screen", which has been a regular assembly program for the last couple of years, was the other assembly of the week. It showed the different happenings in the news and really opened one's eyes to a lot of things. It is through these assemblies that we realize the importance of the things going on around us.

**Plan Big Dairy Show At Chicago Oct. 10-17**

Chicago—Early entries from the continent's leading breeders of purebred dairy cattle indicate a huge showing of all the breeds at the first International Dairy Show, scheduled to open here Oct. 10 for an 8-day run through Oct. 17.

It will be held in the spacious recently air-conditioned International Amphitheatre, one of the country's largest and finest exhibition buildings which is also the home of the world-famed International Live Stock Exposition.

The first entries, reported by the management, came from the Atlantic and Pacific coasts and from Canada to compete for continental honors of the year and the \$5000 in cash prizes that are offered in the competitions for six breeds—Ayrshires, Brown Swiss, Guernseys, Holsteins, Jerseys, and Milking Shorthorns.

Officials of the show predict an entry of over 2000 head. There will also be classes for 4-H and F.F.A. members to exhibit animals of their own raising in all the breeds.
