'Tis said Every normal man has two ambitions—

One to own a home, another to own a car to get away from home; Yet we believe every man has a desire to get all the precious ears of corn. The Case P Picker or Husker does just that with the floating gathering mechanism which noses under down stalks. To wage war on corn borers or to prepare that seed bed for fall seeding see us about the Stalk and Vine Shredder or the X R T Disc Harrow.
