**Letters To The Editor**

October 15, 1953  
Dear Editor:  
On the evening of October 14, 1953, I had the pleasure of viewing a very fine parade in Mount Joy.

With the number of entries and the fine exhibition of floats, it is evident that the merchants, businessmen and civic organizations are very active in your town.

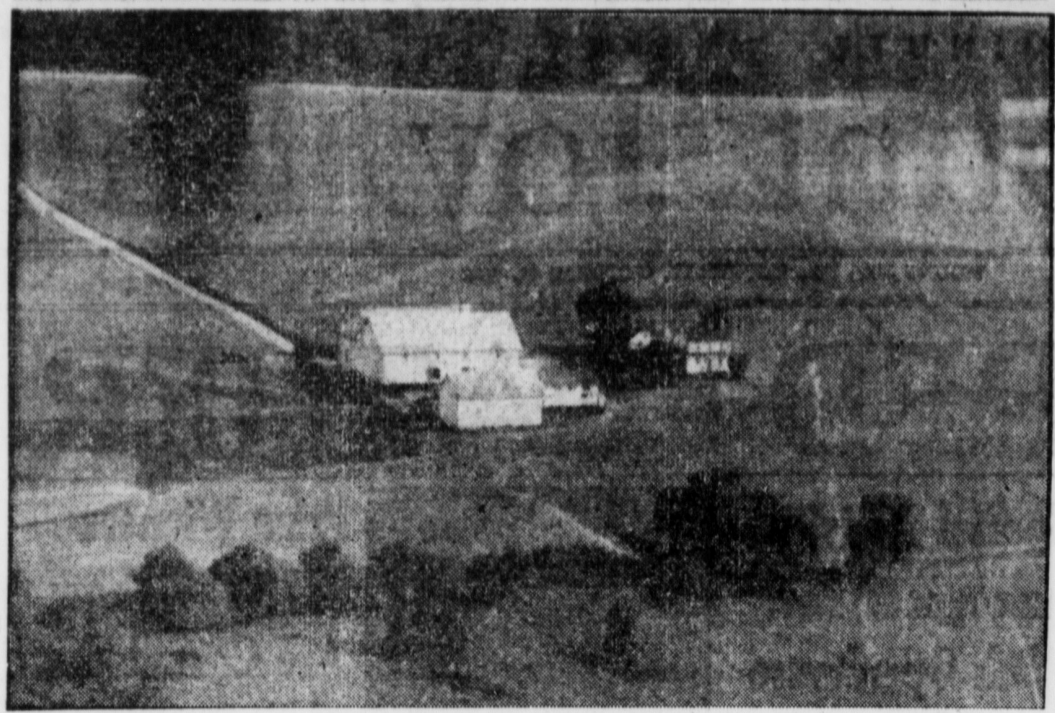

However, it is also evident that these organizations seem to have forgotten the past few War Years rather quickly, and perhaps with the publishing of this letter something may be done to correct the following situation.

While viewing above mentioned parade, I did not see one person stand at attention or see one gentleman remove his hat while the colors passed by in review.  
Thank goodness the persons on the judges stand did show some respect to the colors by standing at attention which should have been an example to the spectators. But the dumb, stupid and ignorant jerks can't seem to take a hint, and perhaps they may be reminded of what to do when the colors pass by in your parade on October 30.

It is most regrettable that such means must be used to remind some people of their ignorance.

Very truly yours,  
An Ex-Serviceman.
