Twelve additional businesses, Lehman's Appliances, Zerphey's Service Station, Schofield's Barber Shop, Booth's Store, Koser's Jewelry Store, Bortzfeld Grocery, Shatto's Barber Shop, Greenwalt's Jewelry, Heiseys Grocery, Detwiler's Barber Shop, Mount Joy Furniture Hospital and Keener's Furniture Store offered their windows to the JoyCees for the project, but were not needed this year. The JoyCees appreciate their cooperation. Since this is the first year for the project, they were unable to anticipate the quantity of windows needed.

Painting will be done Monday and Tuesday, Oct. 26 and 27 after school; Wednesday one hour during school and after school and Thursday, the students will finish the paintings. Friday, October 30, the windows will be judged and prizes will be awarded from the stage of the high school after the Halloween Parade prizes have been awarded.

Since most of the painters are small children, windows that are low were chosen for the work.

The students will be supervised by the JoyCees while they are doing the painting. Scouring powder will be added to the paint mixture so that the picture will be easily removed after Halloween. Since the students will be working only one hour after school or during school time, they will be insured for that time of work.
