We Have Many Memories of Our "One Hundredth Birthday" Celebration, Thanks to Our Many Friends

"Thank You For The Flowers"

These words seem inadequate to express our sincere appreciation for the beautiful flowers we received from business associates, local and out of town banks and our many friends. It was a real thrill to have these beautiful flowers arrive Saturday morning and truly by noon the bank had been transformed into a beautiful flower garden. Our sincere thanks to all of you.

"Thank You For The Messages of Congratulation"

The many messages of congratulations from friends in banking locally, throughout the entire area and including New York City and Philadelphia, will long be remembered.

"Thanks For Permitting Us To Show You Our Banking Quarters And Equipment"

To all those who visited our bank during the Open House celebration on October 24th we again say "Thank You". Without your interest and cooperation the celebration could not have been the success that it was.

"Thanks For The Memories"

Yes, you, our customers and friends, have given us many "Memories" - - - - memories that will become more precious as each year rolls around. In appreciation we pledge to you the friendliest, most efficient banking service possible.
