You're in the driver's seat

It's your money, of course—but we'd like to see you make the most of it. That's why we publish the price of the big Buick SPECIAL here—to make Point #1: you can buy this great performer for just a few dollars more than the so-called "low-price three."
But Point #2—the smart point—is this: When you put up those few extra dollars for the Buick pictured here, you're in the driver's seat of a lot more automobile. You boss extra power—more satisfying power—walloping Buick Fireball 8 power—highest ever found in a Buick SPECIAL. You get extra room—a lot more comfortable room—real, man-sized, 6-passenger room—as much room as you get in cars costing hundreds of dollars more. You enjoy extra satisfaction—more solid satisfaction—in the ride of this big, broad,

road-steady traveler that's cushioned by coil springs on all four wheels, and engineered with all the other costly features of the Million Dollar Ride. And, speaking of extras—here you get, at no extra cost, a long list of standard equipment that most other cars at or near the price of this Buick charge you for, as "extras" on the bill of sale. So, as we said—it's your money—and it's your move. If you're aiming for the driver's seat of a hard-to-beat buy—for a lot less than you think—come in and see us soon.
