The Problems of Democracy Class traveled to Lancaster Fri- day, November 13, 1953 and visited the Court House, County Prison, and Rossmore Sanitori- um. The trip was under the di- rection of C. Arthur S. Holling- er. Through the cooperation of various teachers, this trip was fully utilized in classroom work. The Problems of Democracy Class are writing essays. The senior class, under the supervi- sion of Mrs. Vera Gingrich, wrote letters of thanks to all persons responsible for the successful trip. The best letter to individ- ual was typed by members of Mrs. Betty Lutz's senior typing class.

The Junior Red Cross Club sponsored the Junior Red Cross Membership Fund throughout our schools. Results were as fol- lows: Washington Grade School, \$8.92; Maytown Elementary School, \$9.49; High School, \$17.

The regular monthly meet- ing of the East Donegal Township School Board was held Novem- ber 13, 1953 at 8 p. m. The tu- tion for the elementary schools was set at \$7.44 per month and the tuition in the high school for private individuals was set at \$14.00 per month. Tentative dates were set for the Senior Class trip and the Junior Class trip. It is possible the seniors may go in April before Easter vacation and the juniors in March. It may be possible that both will go at the same time, but to different places.

The advanced shorthand class under supervision of Mrs. Betty Lutz, has entered a National Shorthand Contest sponsored by the Esterbrook Fountain Pen Company. Theory and penman- ship will be the basis of the judging.

The Shorthand and Typewrit- ing classes of East Donegal work each month in their class- es to pass shorthand and type- writing tests sent to the teach- er by a National Magazine cal- led "Today's Secretary." If the students pass the tests with the required errors, etc. they can secure certificates and pins from the Gregg Company.

The Office Practice Class use many of their class periods to do practical work of office na- ture. Each teacher in the school has been assigned a secretary from the Office Practice Class. All kinds of mimeograph, dup- lication, and letter work is done by the student for the various teachers.

The Parents Club of the May- town Elementary School will hold a meeting in the high school at Maytown on Monday, November 23, 1953 at 7:30 p.m. The program will feature Dr. Davis of the State Health De- partment and Mrs. Parker, the school nurse. Special music will be furnished by the 6th grade. Refreshments will be in charge of the 5th grade mothers.

The Magazine Campaign Re- port was released by Mr. Eu- gene C. Saylor as follows: re- cepts - \$3,452.48; expenditures - \$2,561.90 with a net profit of \$890.58.

Preparing for the coming sea- son, candidates were called to practice starting November 5, 1953. Since seven starting ball players have been lost through graduation, it will be a task to fill in these positions and play a tough schedule.

Armistice Day was observed by the entire school's pausing for about three minutes of com- plete silence at 11 a. m. During this period, taps were sounded by Ross Eshleman.

The Assembly Program for this week will feature the band in an exhibition marching drill under the direction of Mr. Mor- rell Shields.

The Cheerleading Club will rehearse the student body in new cheers in preparation for the coming basketball season. F.F.A. Holds Meeting The regular monthly meet- ing of the Witness Oak F. F. A. Chapter was held at the East Donegal Township High School Monday evening with Jay Mum- ma, president, presiding. A dis- cussion was held on plans for program work for the 1953-54 year. Goals were set and plans on how to reach them followed.

Captains for the sports sea- son were elected. They are as follows: John Hershey, volley- ball; Richard Hess, basketball. Captains will pick their teams to play against other county chapters. Plans were made to purchase F. F. A. jackets for the freshmen in the near future.

WOOD

you can't afford to have

Is your barn foggy on cold days and inside walls wet and frosty? Is rot developing? Must you open windows to let in fresh air? Do barn odors get in the milk and in your clothing? Cure these troubles quickly . . . automatically controlled electric fan ventilation is your answer!

Electric fan ventilation is for dairymen who know the importance of having a dry, clean-smelling barn . . . a barn with fresh, sweet-air in constant circulation without

drafts. Drive out excess moisture! Save your barn timbers . . . keep cows healthier . . . and keep milk and clothing free of odors.

Ask your farm representa- tive . . . or electrical farm equipment dealer . . . to show you how easy you can install an electric barn vent- ilating fan.
