## Penna. Game Commission Weekly Letter

As of the 10th of November, results of the 1953 small game season, as compiled in the Harrisburg office of the Game Commission, look like this:

From the standpoint of supply, the present season is proving the best in a number of years. The attitude and conduct of hunters reflects a definite improvement over past seasons. There was a big kill of small game, the opening day, and hunters seem generally pleased with the abundance of game.

During the second week of November heavy migrations of wild waterfowl furnished exceptionally fine shooting in parts of Pennsylvania and give promise of improvement generally over the state. The woodcock season is regarded as the poorest in many years, due principally to exceedingly dry conditions this fall.

The one really sad note is found in the number of hunter casualties. The unofficial record for the '53 small game season to November 10th is 6 deaths and 158 injuries due to firearms in the hands of hunters.

**Lack of Winter Game Feed**  
The problem of natural winter food for wildlife in the wooded northern Pennsylvania areas is causing the Game Commission real concern. Game Protectors and other qualified observers class the present mast crop (nuts) a poor one, far short of that needed to supply the state's wildlife with subsistence during the perilous cold months ahead. Wild turkeys, especially, will need help even if the winter is only of average severity. Otherwise, the flock may experience a drastic setback, wildfowl and outdoor-men believe.

The Game Commission has doubled its winter feeding budget, an indication of the way authorities view the situation. Game men say ear, corn is by far the best all-around feed. It provides the sustenance and body heat needed in winter.

**Two-Week Buck Season Nears**  
Interest in small game hunting has waned and the bear season of this week will soon be history. That brings up to the reason why hundreds of thousands of hunters are laying plans for the 1953 Pennsylvania deer season.

This year the season for taking antlered deer in the Commonwealth runs from Monday, November 30, to Saturday, Dec. 12, inclusive, the Sunday excepted. Daily shooting hours are 7 a.m. to 5 p.m., every day of the season. Male deer with two or more points to one antler are again legal game. Legal also, this year, will be male deer with an antler three or more inches long without points. Measurement is to be made from the top of the skull as the deer is in life.

A person who took a deer in the October bow and arrow season may not hunt or in any way attempt to kill a second deer, or stand watch for a buck in the upcoming season. There is no camp limit on deer killed during a 1953 buck season, but an individual or camp hunter may take only one deer this year. When five or more persons hunt together or in any way cooperate in hunting deer, the usual big game roster is required.

All automatic or semi-automatic (auto-loading) firearms are strictly prohibited in the taking of deer in the Keystone State. Pump shotguns and the double barrel and single barrel varieties, firing pun'kin balls or rifle slugs are allowed. The pump shotgun may be loaded to capacity for deer hunting. It is unlawful to use .22 or .25 caliber rimfire cartridges for the taking of big game in this state.

Archers who possess a 1953 general license may hunt deer with bows in competition with gun hunters. Bowmen who possess a special archery license, including those who bought one for the October deer season, may hunt bucks in the two special archery preserves located in Forest and Sullivan Counties.

Deer must be tagged immediately after the entrails have been removed, but in any event within one hour after killing and before the carcass is trans-

## County Holstein Group To Meet November 24

The Lancaster County Holstein Friesian Association will hold its annual business and fellowship meeting Tuesday evening, 6:45, Nov. 24, in the Strasburg Fire Hall.

A special feature of the evening is an illustrated lecture in technicolor by Robert Struble. His articles on soil conservation have appeared in leading magazines in our country and his excellent lecture has been presented to audiences from coast to coast. Because of the importance of this subject, individuals and farmers with or without dairy herds are invited to attend.

The Ladies Auxiliary of the Strasburg Fire Co. will serve a turkey dinner with all the trimmings in keeping with Thanksgiving season. Tickets can be secured from any member of the executive committee or any committee member of the association. The D.H.I.A. milk testers and the Extension Office also have tickets for sale.

Other features of the program are the election of officers, reports from committees, and a unique group of musicians called the Bottlers from East Donegal and Marietta High Schools.

ported in any manner from the place where it was killed.

With the cooperation of the weatherman, there should be a good harvest of buck this year in Pennsylvania.

## 4-H Club Play Planned For November 28th

"Rise and Shine", a three-act comedy by Samuel French will be presented in the Manheim Township High School, Neffsville, Saturday, Nov. 28, at 8 p.m. The play will be directed by Miss Grace Nolt, Columbia, R1, and will be put on by the county 4-H groups.

The cast will include two local people, Miss Jeanette Breneman, Mount Joy R2 and Miss Miriam Roland, Mount Joy R1. Others in the cast are David Sweigart, Elizabethtown R3; Jerry Hess, Elizabethtown R3; Nancy Newcomer, Lititz R2; Arlene Stehman, Lancaster R3; John Neff, Lancaster R7; Kenneth Kreider, Quarryville R1; Clyde Brubaker, Ephrata R1; James Martin, New Holland R2; Rose Marie Kochel, Bareville and Sylvia Sellar, Silver Spring. Prompters are Mary Metzger of New Holland R2; Dorothy Stehman, Lancaster R3 and Ada Louise Kreider, Lititz R4.

## RURAL MAN INSTALLED TO MANHEIM BOARD

Lloyd R. Swarr, Mount Joy R1, was installed as the new member of the Manheim Central School Board at the regular monthly meeting of the group. Mr. Swarr was appointed to fill the unexpired term of Daniel S. Will who resigned. His term will end December, 1955.

## C. E. UNION MEETING FRIDAY, NOVEMBER 20

The next bi-monthly meeting of the Southeast Central District of the Pennsylvania Christian Endeavor Union will be held on Friday evening, November 20, 1953, at 8 p.m. at the Duncannon Presbyterian church in Duncannon.

Perry County CE Union will be the hosts for the meeting of the district which comprises of eight counties - Franklin, Adams, York, Lancaster, Lebanon, Dauphin, Cumberland and Perry.

## Another HIDDEN TAX

The toll of the highways may reach 40,000 killed and 2,000,000 injured. These are stark statistics in themselves. But there's another toll, too!

Every American family of four, whether they have had an accident or not—or even if they don't own an automobile—will pay an average of \$100 a year in hidden costs as the result of speeding, reckless driving. This is the nation's highway accident bill, to be paid through increased taxes, wage losses, mounting insurance costs, medical and hospital bills, property damage and other charges. The total will run to nearly \$4,000,000,000—enough to build a city of 200,000 homes costing \$20,000 each. Believe it or not, there is an average economic loss of about \$95,000 for every person killed.

This stupendous waste can be curbed only when the American public becomes sufficiently aroused to demand concerted, nation-wide action—more law enforcement, more highway patrols, and more teeth in penalties—to rid the highways of devil-may-care drivers and moronic accident repeaters. Get back of any safety movement in your community. Think and talk safety.

When death, maiming and destruction take over the highways, someone pays—and that someone is you—it's all of us.
