Conoy Board Asked To Meet

Action Follows Query On Possible Entry In Jointure

Conoy Township will be invited to discuss becoming a part of the Donegal Jointure at the regular meeting of the board Thursday night Feb. 18. A member of the Conoy Board asked one member of the Donegal Joint Board to inquire as to whether or not the township would be welcome into the jointure. No unfavorable reactions were made at the meeting of the group last Thursday.

Conoy Township would have approximately 125 students of high school age. The worth of the township is approximately \$1,000,000. In the last general election in November, a bill providing for a merger of Elizabethtown Borough, West Donegal Twp., Conoy Twp. and upper Mount Joy Twp. was defeated in Conoy Township. Therefore, the other three groups are continuing merger plans. Since the bill was defeated in Conoy and since an unofficial inquiry was made at the board meeting, the Conoy Board is invited to the next meeting of the group in February.

The board awarded the auditorium seating contract to the American Seating Company for \$19,000. The American Company received the bid in competition with Roberts and Meck and the Wagner Company.

Dr. David Schlosser withdrew his application for medical examiner for the Donegal School. He will still continue to be the medical examiner for the Mount Joy Elementary School. The other two applicants are Dr. Michael Gratch and Dr. Russell Stoner. No date for the choosing of the examiner was set.

Group Plans Party For Safety Patrol

Sixty parents were present at the regular meeting of the local School and Home Association last Thursday evening in the grade school. The guest speaker was Mr. Fogarty of the Lancaster Cleft Palate Clinic. Mr. Fogarty spoke about the work of the clinic and explained that the clinic is unique in its kind for this area of the country.

He said that the clinic has its own doctors there as in comparison with the clinic in Philadelphia where one who attends the clinic has to travel from one part of the city to another to see the various doctors. At the present time, people are coming to the Lancaster clinic from the western part of Pennsylvania as well as from other states.

Charles Chunko, president, is calling for volunteers for a party to be held in honor of the Safety Patrol. If anyone is interested in serving of the committee, he is to set in contact with either Mr. Chunko or Charles Heaps, grade school principal. It will be held sometime during March or April. This will be the second year for a party similar to this. Last year's party was attended by approximately 500 parents and children.

At the March meeting, a nominating committee will be elected. A committee was also appointed to study the traffic light at the intersection of Main and Barbara Streets. Named to that committee was Mrs. John Gates, Oliver Mateer and Bruce Brown.

Dear Friends,

Even though the paper arrives two months late I still enjoy reading the news. The other missionaries (Rev. and Mrs. A. D. M. Dick) also enjoy reading the paper as they know many people in Mt. Three weeks after my arrival I was on my way to language school held in Darjeeling which is situated in the Himalaya mountains about 150 miles from Mount Everest. Darjeeling is also the home town of Tenzing, one of the conquerors of Mt. Everest. I was at Language school at the time that Mt. Everest was conquered. There was certainly a lot of excitement and rejoicing at that time. Also from the language school we see the snow capped mountains of Kanchenjanga, the third highest mountain in the world. The sixth annual Girl Scout cookie sale of Lancaster County will be held February 1st to April 17. Girl Scouts and Brownies in all troops in the county will be selling chocolate and vanilla filled cookies, chocolate mint and spiced almond flavors.

Girl Scouts and Brownies in the eleven troops in Mount Joy and Florin will be ready to take orders next week. The troops get a percentage of the sale and the county gets a percentage. The percentage that the troop makes may be used for any purpose desired by the group and the percentage that the county makes goes to defray the expenses of the growth of Girl Scouting in Lancaster County, to pay for capital expenditures for the camp and council and to build up a reserve for major camp replacements.
