## E. C. Ramsey Lectures To Rotarians

"Despite the tenseness throughout the World I do not believe that there is going to be a World War III," E. C. Ramsey, news analyst, told members of the Mount Joy Rotary club at their luncheon Tuesday noon.

The speaker based his opinion on the premise that Russia, aware of the United States' superior industrial capacity and beset by dissatisfaction in the countries behind the iron curtain, does not want a major conflict.

Turning his comments to Germany, Mr. Ramsey said that the German people are enjoying a new era of prosperity that they had not believed possible and that a new Germany is emerging and will become a leader in Europe. He credited the willingness of the German people to work a 48-hour week as a strong factor in the comeback. He predicted a closer alliance between Germany and the United States.

In contrast, according to Mr. Ramsey, France will never regain its pre-war prestige. He predicted the return of labor to power in England.

The speaker predicted also that there will be no war over Trieste, but a compromise, that another Mussolini may rise in Italy, and that Israeli will emerge as one of the powers in the Middle East.

He commended President Eisenhower as "a servant of the people who is willing to forget he is a Republican for the good of the country."

"If we expect peace," Mr. Ramsey declared, "we will get it not by the way of the battlefield but only by understanding peoples." He urged "more scholarships and fewer battleships."

Red China will be in the United Nations within five years, according to Ramsey. He said that North Korea will not be united. Ramsey commented also that Russia is not going to build up China as a potential challenger to Russia's sphere of influence in the Orient.

Regarding the economic situation in the United States, the speaker said that there will be no depression, but that we are now in a period of adjustment from a war economy to a peace economy.

The world situation will remain tense "so long as men are willing to give up their sons rather than their prejudices," Mr. Ramsey declared. As his closing prediction, he said that Americans should not be surprised if they are called upon "to adopt another baby—Indo-China."

## Burglary At Local Garage Is Solved

Burglary of Newcomer Motors garage Sunday night was solved this week through the efforts of Mount Joy Chief of Police Park Neiss and State Police officers Mazakas and Tarlecky.

Entry to the garage was made late Sunday night by breaking a rear window. The culprits then proceeded to remove the hinges on the door on New Haven street so that they could load their loot, which consisted of car radios, tires and accessories.

Break in the case came when one of the radios was sold in Lancaster. The purchaser, suspicious of the \$25 price, took the license number and called the state police, who with Chief Neiss, picked up Jay Robert Groff, 22, of Columbia.

Groff was arrested last night before Squire James Hockenberry on a charge of larceny and committed to the county jail for a hearing Friday night. A 15-year-old youth, from near Litz, who was an accomplice, is in custody of the juvenile court.

Eshelman, of Paradise, the general exposition chairman, only minor details remain to be smoothed out before the Scouts converge on the Guernsey Sales Pavilion, along the Lincoln Highway, four miles east of Lancaster, for the exposition. Three sessions will be held, on Friday evening, March 5, and Saturday afternoon and evening, March 6.

Planned as a dramatic demonstration of scouting in action, the exposition will utilize some 13,000 square feet of floor space for Cub Scouts, Boy Scouts and Explorer Scouts to show the skills, crafts, educational and recreational activities which are a part of the Boy Scout movement.

## Team Faces East Lampeter On Saturday

The "Big Game" was won last evening as the Mount Joy Rams captured their second consecutive Section I championship by defeating Marietta 74 to 40.

It was a repeat performance since the Rams defeated the same school last Friday evening 71-45 to gain a tie for the league lead.

Saturday night, the locals met the winners of Section III, East Lampeter, for the first round of county play-offs on the McCaskey gym, Lancaster. Since Columbia High drew a bye, the winner of Saturday night's contest will play Columbia next Friday night.

Although the team was ragged in spots, nevertheless they gave Marietta a lesson in defense. In the first half, the locals held Marietta to five field goals on 30 shots attempted. Of these attempts, 7 were under the basket. Mount Joy's defense was terrific. Metzler held Kugle to 4 points. Ashenfelter held Grove to 9 points, Klugh held C. Fahringer to 5 points. These three boys had a combined scoring total of 47 points before the game.

The Rams were off running when they scored the first five points of the ball game. C. Fahringer "hit" on a goal from outside as Metzler scored a foul to give the Rams a 6-2 lead. Goals by Zeller, Ashenfelter, Metzler and 2 fouls by Klugh gave the Rams a 12-4 lead at the end of the first period.

It was all Mount Joy during the second quarter. Klugh hit for 8 points, Weber 4, Metzler 5, Ashenfelter 5. This gave the Rams a 34-14 point lead at half time.

Marietta showed their fighting spirit as they drove back to 34-19 before the locals scored as the third period opened. Weber scored 7 points, Klugh 4, Metzler 2 to reitalize for the Rams. (More on page 3)
