Under The Basket

The local Rams were defeated by East Lampeter 59-50, last Saturday evening at McCaskey High School before 1700 rabid fans. This victory gave Lampeter the opportunity to meet Columbia for the County championship this Friday evening.

The Rams were off running as they gained a 5-0 lead when Klugh and Metzler "hit" on field goals, and Zeller caged a foul. Playing like seasoned veterans, they maintained a three point lead at the end of the first period 18-15. Klugh made five field goals during this spree.

During the second period, the Rams lengthened their lead to seven points until the final minutes of this quarter when Lapp, Wohnseidler, and Esbenschade found the range for three goals and both teams left the court with the score in favor of the locals 30-29.

It was still a close game during the third period as each team matched shot for shot. The score was 43-41 in favor of E.

Lampeter going into the final period. It was in this period where the Rams began to falter. Shot after shot was missed by the locals but only three were made. At the same time the Lampeter team was scoring six goals. This was sufficient enough to wrap-up the game for Coach Bob Rills' Eagles.

BUILDERS SHOW TO BE HELD MARCH 8 TO 13

Walter F. Hoopes, Vice President of the Harrisburg Exchange, sponsors of the Annual Central Pennsylvania Builders Show, to be held in the Farm Building March 8 to 13, commenting on the exposition said: "Today home ownership is considered the strongest foundation of our American way of life. And because owning their own home is probably the most important investment the average American will ever make, it demands careful planning and some knowledge of safe construction."

"The Builders Show is attracting greater interest every year and the exhibitors are placing a definite emphasis on 'Spot-lighting the new' in their displays. If you are seeking new ideas for your home, if you have a remodeling or redecorating problem, or if you are simply an admirer of the finer things in life, then be sure to visit the Builders Show."

ARE YOU FIT TO DRIVE ?

CAN YOU PASS ?

Are you fit to drive? Safe driving depends on many factors. You must know and obey the traffic laws, of course. But what about your ability to drive—to handle a car safely?

Traffic accidents are zooming and the public is aroused. Public officials are grim. Some states are already tightening their driver licensing laws. The time is not far distant when all drivers must pass periodic re-examinations to determine their continued fitness to operate a motor vehicle. The fact that you have a driver's license today doesn't mean you will have it a few months or a year from now.

So give yourself that tougher test right now—

How about your accident record—good or bad?
How about your police record—good or bad?
How about your physical and mental condition?

Don't gamble. Drive safely, obey the law, and be sure you are fit all-ways.

SLOW DOWN—LIVES ARE IN YOUR HANDS!
