News Items From E. D. Twp. School

The following science students visited the North Museum, Planetarium and Observatory at Franklin and Marshall College, Lancaster, Pa. on Thursday evening, March 4, 1954: Robert Mowrer, Edwin Myers, Larry Landis, Ross Eshleman, Daniel Hess, Kenneth Kauffman, Glen Kauffman, Gerald Brandt, Milton Martin, Kenneth Wittle, John Heisey, Jay Greider, Howard L. Feather, Associate Director of the Museum, and John M. Cavanaugh, lecturer in Astronomy conducted the tour. Mrs. Ray Brandt and C. A. S. Hollinger accompanied the group.

The Lancaster County Music Supervisors' Association will give \$75.00 to the outstanding instrumental, outstanding vocal students of the county at the County Band Festival at Ephraim, March 13, 1954. The winners of this contest will be presented at the County Orchestra Festival, March 27. Each contestant will be required to memorize a solo that must be presented before the judges. A committee consisting of Henry Steiner, of Lititz; Morrell Shields, East Donegal, and Harold Sharr, of Manheim Twp. are in charge of this event.

The following students will participate in the County Band Festival: Ross Eshleman, cornet; Betty McKain, clarinet; Gloria Scholl, clarinet; Ronald Hawthorne, percussion; Paul Kauffman, trombone; Jack McKain, tenor sax; and Barbara Martin, Mowrer.

The Bottlers, an instrumental organization of East Donegal will appear at Aunt Sally's Kitchen in Elizabethtown, March 15, for the Business and Professional Women's Association. The members of this group are Ross Eshleman, Jack McKain, Stephen Doles, Barbara Martin, and Paul Kauffman.

Through the cooperation of Henry G. Carpenter, Inc. insurance agency of Mount Joy, we have been able to add a new phase to our education program. Mrs. Betty J. Lutze, commercial teacher, and Edward Richter, guidance director, with the approval of John G. Hart, principal, have arranged the program. The program is as follows: two senior commercial students will report to the Carpenter Insurance Office once each week for six weeks. They will receive office instruction "first hand" through practical experience. They will operate office machinery, file, type, and do other necessary office work. They will report to the office at eight a. m. and remain there until noon. After six weeks is completed two more students will begin their instruction period. There is no pay involved for such a plan. The students do not have to pay for their instruction, and they receive no pay for their time. This program is merely an experiment to try to bring the needs of the office closer to the teachings of the school. Those students participating in the program are Lovina Demmy, Patricia Sager, Robert Kline, and Milton Mowrer.

THIS WEEK WE HONOR THE GIRL SCOUTS

It's great to be a member of this wonderful organization, whether you are a Brownie Scout or in the realm of the Senior Scouts. Girl Scout training helps to lay the foundation for intelligent citizenship.

As bankers, it is a pleasure to note that one of your "ten laws" is thrift. We will be glad to help you start your savings account here.

Our greetings and best wishes to all the girl scouts, and their leaders, in this community.
