EAST DONEGAL TOWNSHIP SCHOOL PER CAPITA TAX

The School District of the Township of East Donegal gives notice that its School Board intends to adopt a resolution on May 14, 1954 at 6:00 P. M. standard time, at the East Donegal Township High School building, levying a per capita tax of \$5 for the school year 1954-55 on each adult resident of said School District under the provisions of the Act of 1947, P.L. 1145 as amended in addition to the \$5 per capita tax authorized under the School Code of 1949. Imposition of this additional tax (from which it is estimated that \$10,000.00 annual revenue will be derived) is necessitated because of increased school costs; and because the per capita tax authorized under the School Code is limited to \$5 and because it would be inequitable to property owners to collect the entire amount of said increased costs by real estate taxes.
