## Local Day Camp Here June 15

Tentative plans have been completed for the local Girl Scout day camp to be held June 15 to 18. Miss Anna Mae Eby will be the director; Mrs. Robert Hawthorne, assistant; and Mrs. Lester Hostetter, business manager.

According to reports given, the Mount Joy-Florin camp is the only county camp that offers outdoor sleeping. Mrs. Hawthorne will be in charge of all the "sleep-outs". The camp will be held at the Cove. Another feature of the camp will be the construction of a primitive camp site. This site will be in charge of Mrs. Warren Foley.

All Girl Scouts and Brownies in the area are eligible to attend the four-day session.

## Couple Celebrates Anniversary

Mr. and Mrs. Melvin M. Newcomer, Salunga, celebrated their golden wedding anniversary on Wednesday, April 28. They were married in York April 28, 1904 by the Rev. M. L. Ganoe.

The couple are the parents of two sons, J. Melvin and C. Earl, both of Salunga. They were entertained by their sons and wives at dinner in Hershey. They also received many cards and flowers. Their children presented them with a gold clock.

## Weddings

LEVER — CARTER

The marriage of Miss Jean Mavis Lever of Oak Park, Ill., daughter of Mr. and Mrs. Edwin W. Leaver of Felham, Middlesex, England, and Ronald P. Carter, son of Mr. and Mrs. Weld S. Carter of Manheim R2, took place in Oak Park, Ill., on May first. The bride is a graduate of Bletchley Park College, Buckinghamshire, England. Mr. Carter graduated from Mount Joy High School, class of '46, and from the College of William and Mary. After the wedding trip, the couple will reside in New Jersey.

## News Items From E. D. Twp. School

The East Donegal Township High School will present the Phoenixville High School Band at their eighteenth annual May Day exercises, Thursday evening, May 13, 6:30 p.m. D.S.T.

The Phoenixville High School Band of Phoenixville, Pa., is known as the "original dancing band". They will entertain the audience to a thirty minute concert, followed by a twenty minute field demonstration. Rather than a marching drill, Walter Sample, director, has his students "dance" to the type music they play.

The five candidates for the last May Day will be Mary Carolyn Boyd, Joann Fornoff, Nancy Hanshue, Jeanne Mitchell and Patricia Sager. The naming of the queen will not be made until the night of celebration.

A full day of athletics, team games and track events, is being planned for the students.

The date for the Athletic Day has been set for May 14, 1954, the day following the Annual May Day Celebration.

The list of events in which the students may participate is as follows: softball, volley ball, and tug o' war as the team games and a one-seventh mile relay; a two-seventh mile relay, standing broad jump, girls' softball throw and boys' shot put.

Students will compete one grade against another with a girl's and boy's team from each grade for the team games. In the track events, the students will compete against people of their own age group.

Student enthusiasm has already begun to mount as each class, 7-12, is busily organizing its team and each student practices the different track events.

The faculty committee responsible for the planning of the Athletic Day consists of JoAnne Dunning, Edward Richter, Kenneth Depoe, Donald Staley and Roy Arnold.

The speakers have been chosen for the eighteenth annual 9th Grade Promotion exercises. Speaker on the theme, "Building For A Better World" will be Arlene Heisey speaking for

Humility; Audrey Musser, Religion; Mary Ann Felty, Justice; Elaine Showalter, Brotherhood; Eunice Hess, Tolerance; and James Shank, Democracy. A Promotion Exercises will be held Tuesday, June 1 at 8:00 p.m. in the high school auditorium.

## LIKE THROWING MONEY DOWN THE WELL!

Don't throw money away! Extra income and profits can be yours, if you make complete use of your automatic electric water system! Let's see just what profits are, both in cold cash and better living.

**Production:** With running water always on hand, experience shows cows produce up to 20% more milk, hens lay up to 10% more eggs, hogs and other meat animals put on more weight.

**Convenience:** Water, wherever you want it, whenever you want it saves hundreds of hours and miles of walking!

**Sanitation:** Public health records prove running water improves health conditions more than 50%.

**Safety:** With water under pressure handy everywhere, fires can be caught when small enough to be controlled.

Stop throwing your money, and energy, "down the well." Let your automatic electric pressure water system carry the water wherever you need it! See your farm equipment dealer or PP&L Farm Representative today about increased profit-making use of your present electric water system.
