

OWL LAFFS

BY A WISE OWL

Several weeks ago "Pete" Rahe got hungry for a mess of fish. So he decided to go fishing, and for the next two weeks, Pete did just that - - - he went fishing every spare minute he had - - - and last week he was rewarded, his wife went to the store and bought him a mess of fish.

Jim Markley, his father-in-law, said Pete doesn't use the right kind of bait, he should try gundrops.

"Jake" Landvater's going in to the detective business - - - Frank Shreve hired him to find out who bought Emma the carnations for Mother's Day.

"Dyke" Garber says people with opposite characteristics make the happiest marriages." "Cappy" Mumma agreed; He said that's why he is looking for a girl with money."

The ladder of life is full of splinters, but you never realize it until you begin to slide down.

Here's one to think over: If you drive a car You have two chances. One of having an accident And one of not.

If you have an accident You have two chances. One of getting hurt And one of not.

If you get hurt You have two chances. One of dying And one of not.

If you die, Well, you still have two chances.

It says here that the word "tax" comes from the Latin word "taxare" which means "to touch sharply." - - - No comment needed.

The baseball game between Hootin' Hollow and Rapid Creek, was played at Sy Perkins' cow pasture, was temporarily delayed in the fourth inning when Zeke slid into what he thought was second base.

Professor: "If the United States is bounded on the North by Canada; on the East by the Atlantic; on the South by Mexico; and on the West by the Pacific - hold old am I?"

Student: "Forty-four years old!"

Prof: "And how did you arrive at that amazingly accurate conclusion?"

Student: "Because I have a brother who is half nuts and he is 22."

One of our Freshmen wasn't sure just what was meant by "college bred." His father enlightened him with this explanation: "They make college bread, my boy, from the flour of youth and the dough of old age."

Took the small fry to the Philadelphia Zoo and have since come to the conclusion (after looking over a mouse) that a man shot by mistake for a mouse might as well be dead anyhow.

There's one thing sure. Rural men have gone up the ladder in the past few generations - Grandpa was a peasant. Papa was a farmer and today's son is an agricultural expert. (a profession, no less).

Here's a quick thinker . . . Gardener - "Look here, boy, what are you doing in my melon patch?"

Boy - "I'm so glad you came along, sir - one of your melons broke loose, and I can't seem to find how to fasten it on again."

One of my readers suggested that the stork who brought me

Letters To The Editor

In the San Francisco Examiner, the editor recently wrote an article about a new kind of bomb. He called it the T-Bomb. He said that 55,000,000 atoms were exploded from this bomb last year in the United States which killed 38,000 people and crippled 1,350,000.

The T stood for Traffic and the atoms were 55,000,000 cars and trucks. The results from this bomb were so terrific that President Eisenhower summoned 2,500 citizens from all phases of American life and from every state in the Union to discuss the situation. President Eisenhower said that this was a national problem of the first importance.

The delegates returned to their home towns determined to do all in their power to reduce the damage from this T-Bomb and to make it relatively harmless all over the Nation as soon as possible.

WEDDINGS

MYLIN - HESS
The marriage of Miss Ella N. Hess, daughter of Mr. and Mrs. D. Avery Hess, R1, Millersville, to Ray N. Mylin, son of Mrs. Paul G. Kaley, Mt. Joy R1, took place Saturday at 10 a. m. at 715 E. Orange St., Lancaster, the home of the officiating minister, the Rev. Robert W. Etter. Miss Dorothy Ault, Lancaster served as maid of honor. The best man was Charles Bender, Lancaster R2.

Following a wedding trip, they will reside at Lancaster R2.

"Mr. Texas" To Be Shown

"Mr. Texas," called "the world's first Christian western" will be shown May 19, in the EUB Church at 8 p. m. (according to an announcement today by Mount Joy Ministerium, in charge of the local presentation) The film is the first major production of Billy Graham Evangelistic Films, Inc., and features the famed young evangelist and his entire evangelistic team. Playing leading roles in the full length-color picture and Redd Harper and Cindy Walker, both professional western stars who have recently made their decision to give their lives and talents to Christian service.

Produced as an experiment, "Mr. Texas" has amazed religious leaders and motion picture authorities alike during its first year of showings. At the film's preview in Hollywood Bowl on October 1, 1951, a record throng of 25,000 persons jammed into the huge amphitheatre for the picture has ever had in this country. During the past year of showings an estimated 3 million persons have seen the film. From this number of viewers, some 85,000 have made decisions to accept the Christian way of life, according to records on file.

The story revolves around the Billy Graham Crusade in Will Rogers Coliseum in Fort Worth, Texas. To produce the film, an entire motion picture company moved from Hollywood to Texas and made all of the Texas scenes in the vicinity of Fort Worth. The rodeo scenes, some of the most beautiful color photography being seen today, were made at Hardin Simmons University, and feature the world champion Mayo Rodeo Riders, together with the famous Hardin Simmons Cowboy Band.

Original music for the picture was composed by Cindy Walker, called the "true queen of western song writers," and Redd Harper. Several of the songs from "Mr. Texas" have appeared on records, and complete albums are available.

should be arrested for smuggling dope. - - - Why he insulted? Maybe she's happier now.

ENGAGEMENTS

Mr. and Mrs. J. S. Newcomer, 368 Donegal Springs Road, announce the engagement of their daughter, Marilyn J. to Lee A. Ranck, son of the Rev. and Mrs. Ezra H. Ranck, D.D., 25 East Main Street.

Miss Newcomer is employed in the office of the Bachman Chocolate Company, Mount Joy and Mr. Ranck is serving an enlistment in the U. S. Navy. He returned from a Korean Mission last week and is presently stationed at Atlantic City.

The wedding will take place around Thanksgiving.

Mr. and Mrs. William McGarvey, Florin, announce the engagement of their daughter, Kathleen E. McGarvey, to Charles E. Brinser, Jr., of Elizabeth town R2, son of Mr. and Mrs. Charles Brinser.

Americans now drink nearly a pound of tea a year but this is far below the British who average 15 pounds a year.

47% of the families who own their own homes have mortgages on them. The average mortgage is about \$4,500.

Home Calender

Dry Shoes - Dry wet shoes by packing with crumpled newspaper. Avoid drying them in the sun or near heat. Wet shoes dried under heat curl up at the toes.

Buying Cotton Rugs - Check the binding used on edges of a cotton rug. Sometimes the tape shrinks and causes the ends of the rug to pucker.

Cabbage Quality - Good cabbage heads are solid and hard. The stems are cut close to the head and all but three or four of the outer leaves are removed.

Chemical Fiber Problems - Thermoplasticity is a disadvantage of chemical fibers for home furnishings. The danger is not from fire but from melted holes in the fabric surface. A melted hole is hard to conceal.

Use Cotton - For that long summer trip, take clothes of cotton plisse or seersucker. They need no ironing and can be quickly rinsed out.

4-H Clubs Organize For Summer Work

All 4-H Club members of Lancaster County are invited to attend the Spring Party which will be held Saturday, May 15, 7:45 p.m. in the Guernsey Sales Pavilion, Lincoln Highway East.

CHILDREN...

We Want Your PICTURES!

- Don't forget our invitation to have your pictures taken and published in this newspaper. Remind your parents it costs them nothing!
- The Woltz Studios, nationally known children's photographers for newspapers, will take your pictures expressly for publication in a new feature titled "CITIZENS of TOMORROW."
- Remind your parents, too, that nothing need be subscribed to; they do not even have to be a reader of this paper. There is no obligation of any kind! Every youngster in this trading area is eligible. There is no age limit. Extra prints may be obtained by arranging with the studio representative when the pose for publication is selected; but this, too, is entirely up to your parents.
- Clippings of these pictures will become treasured mementos of childhood, so be sure to call on our photographer during the time mentioned below. We do not want a single local youngster to be disappointed. Appointments are NOT necessary, but one of your parents or another adult must accompany you.

Below is the time and place to have your pictures taken without cost!

Satur., May 15 - 10 a.m. to 6 p.m. FRIENDSHIP FIRE HALL

part-by-part proof...

Plymouth is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes
Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

Seat Springs
Plymouth uses coil seat springs, for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings
Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

Micronic Oil Filter
Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!
