Fertilize Your Crops Through
The Leaves With
"Na-Churs" Liquid Fertilizer

Give all your crops an extra boost this year with a "Na-Churs" Liquid Fertilizer foliage spray. Leaf feeding with "Na-Churs" can help cut your farming costs by returning more dollar profits on your crops with less time and effort on your part. Years of experimental work has shown that when "Na-Churs" is applied as a foliage spray, it often increases the yield from 10% to 50% or more.

"NA-CHURS" IS QUICKLY AVAILABLE

"Na-Churs" is a liquid solution composed of nitrogen, phosphorus and potash, together with trace and minor elements. It is ready to apply when you get it. No mixing—no measuring—no fuss or bother. Easy to handle and easy to use.

USE ANY TYPE OF SPRAY EQUIPMENT

No extra or costly equipment to buy when you use "Na-Churs". Apply it with any type of ground, orchard, irrigation or aerial sprayer. "Na-Churs" does not clog sprayers.

YOU PROFIT OR "NA-CHURS" PAYS

When you use "Na-Churs" Liquid Fertilizer as a foliage spray on any cash farm crop you don't gamble a penny. The "Na-Churs" Plant Food Company absolutely guarantees you a PROFIT on that crop, over and above the cost of the "Na-Churs" used, or your money will be refunded in full.

AN IRON-CLAD WRITTEN GUARANTEE

Your "Na-Churs" guarantee is mailed to you direct from the "Na-Churs" Plant Food Company. No red tape, no delays. It's the most OUTSTANDING offer ever made in the fertilizer industry.

PREVENT ACCIDENTS
Clearing the rear ledge helps prevent injuries in automobile accidents. Safety experts agree that many injuries could have been prevented in accidents of the ledge had been cleared off and a sudden stop had not catapulted objects into the back of the driver's head.
