Alumni Reservations Have Reached Six Hundred

Reservations to the Mt. Joy High School Alumni Banquet topped the 600 figure at deadline time this week!

Openhouse will be held in the new Donegal High School and the present Mount Joy Elementary School from 4:30 to 5:30 p.m. Oldsters may visit their "high school" for the last time before it is to be torn down and everyone is invited to take a "sneak preview" of the new high school.

Guides will be on hand at the school to show visitors around and Daniel Wolgemuth, Florin, the chairman of the school authority, will be there to answer any technical questions.

The present Mount Joy High School will open at 5:30 p.m.

for registration for the affair and to visit the school before it becomes an elementary school.

The banquet will be served NOT at 6:30 p.m. and will NOT be preceded by the business meeting as in former years. Since 600 people must register before 6:30, the committee suggests that members and guests come early.

Of the principals who will be present at the affair, it was discovered that there are only 12 living, not 13. Word was received over the weekend that Dr. Ira Scott, 1908-1910, passed away in 1951. Nine are expected to be present for the affair. J. W. Harkness was contacted but a previous commitment will prevent him from attending.

He gave much of the credit for the outstanding student body to the interest of the community in their schools.

The speaker said that education has three main functions:

1. To make better citizens.
2. To help students to earn a living.
3. To help students to appreciate the world in which they live.
