Midget-Midget News

The locals won two games during the past week defeating Florin 5-2 and 25-2.

In the first game, a big first inning proved the winning margin. With one out, Bennett singled, Wealand doubled and Harnish smashed a triple that drove in two runs. The latter scored on Newcomer's double.

Harnish was on the mound for Mt. Joy. Coach Houck is still looking for a pitcher, Harnish, who has been playing third base during the past two years, may fill the bill. Even though he gave up two walks and hit a batter he struck out two and threw the other one out. Although he faced six batters, none of these scored.

In the fourth inning, the locals scored two runs on a base on balls to Kear, and successive singles by Mumma and Watkins.

Florin scored twice in the bottom of the fourth inning. Sprout walked. Stettler was hit by the pitcher and Eichler came through with a double driving in both runs.

American Legion Seeks Cinderella For Convention

The American Legion is looking for a real-life Cinderella to reign over the social events of its four-day state convention which opens in this city on July 21.

The state-wide contest is open to girls from five years old to twenty-five and the only requirement is that she have the right size foot.

The announcement was made by Samuel J. C. Greene, of this city, convention committee president, who said that Arthur C. Kaufman, executive head of Gimbel Brothers, will select the winning foot size and keep it to himself until July 1 when Cinderella will be chosen.

Contestants are asked to submit a photograph with name, age, address and footsize on the reverse side of it, and address it to the American Legion Convention, Philadelphia, before June 25, when the contest closes.

Three prominent persons, Greene said, will take turns picking photographs from a pumpkin until the footsize that coincides with the one selected by Mr. Kaufmann is reached. The selection will be made at a luncheon on July 1.

Greene said that the only determining factor for winning the contest is that the right foot size be pulled at the right time, and in this way "the winner will, indeed, be a real-life Cinderella."

The winner will receive an all-expense trip to Philadelphia for the week of the convention for herself and a companion. Waiting for her, too, will be gifts of nylon stockings, pearls, a gown and a host of other gifts.

The magic slipper will be placed on Cinderella's foot by a prominent TV star at the Commander's Ball, Convention Hall, July 22. He will act as her Prince Charming for the evening.

She will also reign over the moonlight cruise on the Wilson Line Steamship Delaware Belle arranged for the Legionnaires and over the Bugle and Drum Corps Contest, Temple Stadium, Friday, July 23. She will also be featured in the six-hour, long parade on Saturday afternoon, July 24.

The convention, which comes to this city in alternate years, is expected to attract sixty thousand

Local Midgets To Play Ball At Marietta Fair

A midget baseball game between Mount Joy and Marietta is scheduled to be one of the attractions of the Marietta Children's Fair to be held Saturday, June 12.

Another big attraction for the kids and adults will be the sharp-shooting act of Sunset "Kit" Carson who will be at the Marietta playground at 3 p.m. He will provide free entertainment for all. A great grandson of the famous scout whose name he bears, he learned of guns and shooting from Tom Mix when he joined his circus at an early age. After winning a number of rodeos in Mexico and South America, he went to Hollywood and made over 50 Western movies.

The fair is held annually by the Marietta Recreation association for the benefit of the borough playground. Mrs. J. H. Brown is general chairman, assisted by a large committee.

A Juvenile and Pet parade, in two divisions, opens the affair in the morning at 10 a.m. It will be televised. Events of the afternoon are staged at the playground where booths are erected in a grove of trees and gayly decorated according to the current theme which this year is "Circus Day". There will be all kinds of novelties for sale for adults and children, the latter at children's prices, as well as a wide variety of "eat on the spot" or "take away food." A novelty this year will be cotton candy.

The Shawnee Band of Columbia will give a band concert throughout the afternoon. There will be free rides on miniature trains, rides on ponies and a tiny merry-go-round; competitive games and the baseball game as a finale.
