Mrs. Warren Stehman and her class of five-year-olds are doing table work at the Calvary Bible Vacation School.

Calvary Vacation School To Hold Parents' Night

Parent's night will be held at the Vacation Bible School at Calvary Bible Church this Friday evening, June 18 from 7 to 9 P. M. when parents and their friends will be invited to see the children at work in their classes. A special closing program also will be presented, in which each class will participate. An average attendance of 161 was reported for the first week of the school with an enrollment of 202. Each night the children have an hour lesson followed by a period of hand-work.

These periods are divided by a 15 minute play period in the area next to the site of the church which is blocked off from traffic.

Saturday, the children and parents who desire to go are invited to a picnic at Long's Park. Lunches are to be brought by the children but ice cream will be provided free. The bus will pick up the children and parents beginning at 9:00 a. m. The group will leave from the church to Long's park at 10:00.

Sailor Completes World Cruise

The ships of Destroyer Division 222 returned here June 4th completing a 'round-the-world' trip which began last November.

Returned aboard the USS John Weeks was George E. Ford, quartermaster seaman, USN, son of Mrs. Elsie E. Frank, of 11 Lumber St., Mount Joy, Pa.

During the cruise the ships served with the UN Peace Patrol in the Far East.

On the cruise the ships passed over three oceans and nine seas. The crews earned the Korean Service and United Nations Service ribbons and were initiated into the famous orders of Golden Dragon, for crossing the International Date Line; the Ancient Order of the Deep, crossing the Equator; and, the Order of Magellan, sailing around the world.

Open House At Aluminum Plant

Aluminum Company of America will hold an open house at its Lancaster Works, located at the intersection of the Fruitville Pike and Route 230, Saturday, June 19.

Robert Chestnut, Works Manager announced that the program will begin at 10:00 a. m. with a brief opening ceremony at the main gate. Alcoa and public officials will participate. The plant will be open until 4:30 p. m. for employee's families, their friends and the general public. Mr. Chestnut issued an invitation to Lancaster Countians to visit the plant for a close-up view of its operations and products. A special tour route has been laid out through the plant and representative operations will be scheduled.

Ground was broken in March of 1953 for this new addition to Lancaster's industrial community and construction was completed in April of this year. This modern screw machine products plant manufactures rivets, nails, nuts, bolts, fasteners and specialty items from aluminum.

SIX STUDENTS HONORED AT LANCASTER COLLEGE

William Tyndall, North Barbara Street, Mount Joy, was named to the honors list at the Franklin and Marshall College for the year. The honors list includes all students whose average was from 3.75 to 4.00.

Jay S. Barnhart, West Donegal Street, Mount Joy; John A. Bowman, West Main Street, Mt. Joy; Robert M. Miller, Wood Street, Florin; Edward C. Shelly, Manheim R2; and Clair Wagner, East Main Street, Mt. Joy, were named to the dean's list. The dean's list is composed of students whose averages are from 3:00 to 3:75.

TROOP COMMITTEE IS TOLD SCOUTS GOOD CAMPERS

That members of the local Boy Scout troop proved "excellent campers" and had their "campsite" in the best possible order was reported to the regular monthly meeting of the executive adult troop committee Tuesday by C. J. Chunko who served as a community counselor at the Western District Camporee held May 22 and 23 near Bainbridge. Chunko said that county Scout officials praised the local lads and their scoutmaster, Harold Etsell, for having the best organized and supervise site, especially in view of the poor location assigned.

County executives also commended most favorably on the excellent attitude being shown in the town for Scouting in general and felt that it certainly represented a surge of interest by many of the parents. They hoped that it would continue to develop even further.
