Dog Show Is Planned For July 31

A dog show and puppy naming contest will be held at the Mount Joy Borough Park Friday, July 31 by Hess' Food Store and the makers of Ken-L-Ration dog food. The affair will take place at 2:00 p.m. and all boys and girls between the ages of 1 and 15 are invited to enter dogs in the show.

According to reports issued by the committee, the show will be run similar to a New York Dog Show and three judges will be imported; two from Ephrata and one from Elizabethtown.

Every child who enters his dog in the show will receive a free gift and the sponsors of the contest expressed their wish that there would be 300 dogs in the contest.

The dog show will open to 8 classes of dogs. The dogs need not be pedigree. A registration form must be filled in and returned to Hess' Food Store, Mt. Joy no later than midnight, July 30. Winners in each class will receive prizes.

The eight classes are the best cared for dog owned by a boy; best cared for dog owned by a girl; dog with longest tail; dog with the shortest tail; dog with the longest hair; dog with the shortest hair; handsomest dog and the dog that does the most tricks. The children enter their dogs in any number of the eight classes.

As a further attraction, a pedigree puppy will be awarded to some lucky youngster by the Hess' Food Store and the makers of Ken-L-Ration. The puppy will be awarded to the child who submits the name best suited for the puppy. Entries for the "name the puppy contest" must be written, along with the child's name and address on an official entry blank. The blanks for the "Name the Puppy Contest" should be deposited in the ballot box at the Ken-L-Ration display in Hess' Store. Children may enter as often as they wish providing an official entry blank is used each time. Entries must be submitted by midnight, July 30. The opinion of the judges will be final. There is nothing to buy in the contest; just enter a dog and receive a free gift.

Old Timers Plan Luncheon For Baseball Plans

The Mount Joy Old Timers Association will hold a baseball game some time in the middle of August. The date of the game will be announced later by the committee. At a later date, a luncheon will be held at the Mt. Joy American Legion Home for all the people interested in forming a town baseball team.

At the present time, seven Mount Joy boys are playing with the East Petersburg team in the Lancaster County Central League and one is playing for Mountville. James R. Metzler has made a survey in the borough and has contacted about thirty boys from town who would like to play on a town team. Any persons interested in purchasing a luncheon ticket may do so by getting in touch with Mr. Metzler, West Donegal Street, Mount Joy. The purpose of the luncheon is to discuss the setting up of a tentative program for a town team. The financing of the team, the securing of a field on which to play, and securing an organization to promote the project will be discussed.

Big Chiques Bowman To Hold Open Field Shoot

Lancaster County's first field archery club and the first non-profit corporation of its kind in the state, is now preparing for its first open field shoot on the new course located 4 1/2 miles northeast of Elizabethtown.

The organization, known as Big Chiques Bowmen, was organized by a small group of archery enthusiasts 2 1/2 years ago from Mt. Joy-Elizabethtown area. A 14 target course was set up at Sporting Hill on a 19 acre tract. Within a short time the membership swelled to close to 200 members from all parts of the county as well as Lebanon and Dauphin Counties. During the summer of 1953 the course was expanded to 23 targets. Many successful shoots were held, including the Eastern Regional Primaries in September, 1953.

This spring the club became incorporated and purchased a 24 acre tract of land, which is located adjacent to the Elizabethtown Beagle Club property. Access to the course can be gained by leaving Elizabethtown via the Manheim road and turning left at Risser's Church, or via the Mt. Gretna road turning right one mile past Bellaire.

In order to raise money for the expense of a new course, stock was sold to the members of the club and it is anticipated that same will be redeemed at some future date.

Little Chiques Park Being Improved

Improvements are being made to develop the "Little Chiques Creek School Playground" by the SICO Company. The playground is located along the Little Chiques Creek where the creek curves to such an extent that a peninsula is created. Entrance to the playground is gained by turning off a road which is perpendicular to Park Avenue.

The lawn is being consistently mowed each week and safety measures have been taken to protect the "deep drops" in the land. A macadam road has been laid into the playground and a gate has been erected at the entrance.

One of the major improvements is the installation of a water fountain on the premises. Approximately 800 feet of copper pipe had to be laid to connect the fountain with the borough water.

Memorial Baseball Game Scheduled By Old Timers

A Memorial baseball game will be played Monday evening, July 19, on the Mount Joy grade school grounds between the Mount Joy Midgets and the Elizabethtown Midgets. Several years ago he was injured officiating a baseball game in the town park and received an injury at that time from which he never recovered.

Picnic To Feature Stadium Show

One of the outstanding events of the Lancaster Automobile Club's 50th anniversary being observed this year is the annual club picnic to be held at Hershey Park on Thursday, July 22.

Special features will be added to the 1954 picnic program, including a big outdoor show in the evening in the 16,000 seat Hershey stadium. The stadium show will get under way shortly after the supper hour with a concert by the famous Pottstown Band and will conclude with a gigantic display of fireworks. Seven stellar circus-type acts will be presented on a stage to be erected in the center of the stadium.

A parade of old cars sponsored by the Red Rose Antique Automobile Club of Lancaster County will be another feature of the evening show.

Admission to the stadium will be open to the general public.

The all-day picnic program will begin at 10 o'clock in the morning with a concert by the Paradise Township High School Band. In the afternoon there will be a concert by the Pottstown Band and Glee Club at the park band shell and an exhibition by Penna. State Police trained dogs.

For the children there will be free souvenirs, ice cream and free rides. Seventy-five cash prizes will be awarded to Club members who register at the park on picnic day.

\$2,000 Goal To Improve Structure

The first donation of \$25.00 was turned over to the treasurer of the new Boy Scout building committee Wednesday. A record of the day-to-day donations will be recorded on a thermometer in the window of the Bulletin office.

A deed of trust has been drawn by the group's attorney and will be held by the Mount Joy Social Welfare Association for the ownership of the building as long as there are Boy Scouts in the town.

There has been a Boy Scout troop in Mt. Joy for the past 35 years and this year, Boy Scouting has taken on new interest in the borough.

Since there has been some comment concerning ownership it is mentioned that Boy Scouts cannot own property. Since they cannot, the building will be owned by the local Social Welfare Association. The donations that the committee is seeking are final. They will pay for the initial renovations of the building. Maintenance costs will be paid yearly by the Welfare group.

The building was given to Boy Scouts as a gift by Clarence Greider. There had always been two major problems concerning Scouts in Mount Joy: one - leadership; and 2 - finding a suitable meeting place and a suitable storage place for the equipment and supplies. With Mr. Greider's gift, the boys will now have a definite place which will be theirs as long as Boy Scouts exist in Mount Joy.
