Another feature of the day was the awarding of the pedigree cocker spaniel puppy to the child who chose a name most suitable. Cindy Mumper, daughter of Mr. and Mrs. Clyde Mumper, Donegal Springs Road, won the puppy. Her choice of a name was "Cinnamon" for the red-brown colored dog.

Donegal Men Meet With Manheim Board

Four men representing the day night to discuss the possibility of students from southern Rapho Township's attending the Donegal High School rather than the Manheim Central High School.

Manheim's suggestion of sending the students on a tuition basis was refused by the Donegal authorities. Manheim's board was opposed to the portion of the township's entering the Donegal jointure, the second solution, because several teaching units would be lost to MCS while the number of teachers employed would be the same. The district would thus lose on state reimbursements.
