POLIO VICTIMS NEED HELP NOW!

give **EMERGENCY**

MARCH OF DIMES

AUGUST 16 TO 31

Broke But Proud

The National Foundation for Infantile Paralysis has announced that its polio-fighting coffers are empty of funds needed to care for the tens of thousands of polio victims of past years who still need aid in their fight for recovery; empty of funds for the thousands of victims of polio yet to be stricken this year; empty of funds to finish carrying out its Polio Prevention Program of increased gamma globulin and study of the efficiency of a trial vaccine; empty of funds to continue much of its vital research into the cause and prevention of polio.

The March of Dimes organization figured its 1954 programs of Polio Prevention, Patent Aid, Research, Professional and Public Education, plus all other costs would require \$75,000,000. The 1954 March of Dimes—the biggest ever—raised a total of \$55,000,000. This was \$20,000,000 less than tightly-budgeted needs. High incidence rates increased costs of better treatment and the Polio Prevention

Program already have emptied this year's treasury. More funds are urgently needed NOW.

The March of Dimes organization is broke but Basil O'Connor, its president says: "We are proud of our record in fighting crippling polio. We are proud of the way the American people have supported their Foundation and its 3,100 chapters in their 16-year fight to conquer polio and to rescue its victims. We are proud that March of Dimes polio-fighting funds have been used to the fullest to see that every polio patient receives needed care and treatment."

PERSONALS

Four Mount Joy residents visited the Rock of Ages Quarry, Barre, Vermont and were conducted on a tour of the world's largest granite quarry. The four were Miss Eunice Herr, Miss Ruth Eby, Miss Anna Mae Eby and Miss Thelma Taylor.

3 SERVICE OBJECTIVES

ACCURACY
PROMPTNESS
FRIENDLINESS

It has always been the aim of this bank to make our service excel in three ways—accuracy, promptness, and friendliness. In brief, we try to render service of the type which we would appreciate if we were on the customers' side of the counter.

And remember, your dealings with this bank are held on the same confidential plane as those with your doctor or lawyer.

Milton Grove To Sponsor Supper

A chicken corn soup supper will be held at the Milton Grove School grounds on Saturday evening, August 21, beginning at 4 P. M. A new series of big game hunting movies will be shown and a trio of radio entertainers will furnish the music.

The affair is an annual event of the Milton Grove sportsmen's Club with Ralph Ginder as the chairman of the committee in charge and Agnes Holwager as cook. Entertainment will be free.

Greiner-Kreiner-Kriner Reunion Planned

The Greiner-Kreiner-Kriner reunion will be held at Litzitz Park, Litzitz, Sunday, August 22, 1:30 p.m. The Rev. Henry Ginder, pastor of the Brethren in Christ Church, Manheim, will be the guest speaker.

The day's activities will include a program, music, games, and contests for the children. All persons of this name or relatives are invited to attend the affair.

So That You May Not Be Confused—

In answer to the many inquiries which we are receiving daily at our local polio chapter office relative to many of you people throughout the city and county receiving letters soliciting contributions from the Sister Kenny Foundation located at Minneapolis, Minnesota, I would like to bring out several pertinent facts so that you will not be confused—

1. There is no connection between the Lancaster Chapter For Infantile Paralysis and the Sister Kenny Foundation, and never has been.
2. To the best of our knowledge, no professional or financial aid has ever been given any polio victim or their family in Lancaster city or county, by the Sister Kenny Foundation.
3. All medical, hospital, nursing and financial aid has come from the Lancaster Chapter For Infantile Paralysis through the moneys raised here locally by the Annual March of Dimes and Dollars Fund Raising Campaigns.
4. The Lancaster Chapter For Infantile Paralysis has sent local nurses to hospital and research centers for training in polio care and physical therapy through your contributions to the Annual March of Dimes and Dollars Campaigns, and will continue to do so as funds and needs are determined.

"These are 'DOG DAYS' for us chickens, too!"

When poultry suffers from hot, humid conditions, the poultryman suffers, too. He suffers from lowered egg production! from losses of birds! from lowered income! lowered profits!

Circulation of clean, fresh air with an electric ventilating fan builds appetites and egg production. Bird health is improved. Bird losses reduced. In winter, your fan reduces moisture . . . saving walls, timbers, and ceilings and lessening rust. Important, too, it keeps litter dry and loose.

Have your County Agent or PP&L Farm Representative show you how to install a ventilating fan, today . . . it's easy. Also, ask him for the new ventilation manual.
