New Plastic Kitchen Cabinets Are Colorful and Mar-proof

A new line of kitchen cabinets, combining the utmost in colorful beauty and complete practicality was recently introduced at the "1954 Building Your Home Show" in New York.

Completely surfaced inside, as well as outside with melamine laminated plastics, these cabinets are available in a variety of colors and patterns. The wide range of high-style pastels, authentic wood grain reproductions, and novelty figures give any housewife generous material for imaginative planning, for the color line has been carefully planned to allow for soft harmony or bright contrast. Carefree as well as colorful, these melamine surfaced cabinets minimize everyday kitchen chores. Cleaning is reduced to an occasional wipe of a damp cloth. Because the attractive colors are built-in, painting or refinishing is never necessary. They will stay glisteningly new over years of service; for the rugged durability of melamine plastic is present on all surfaces.

Kitchen planners may specify a custom arrangement from a complete line designed to fit any floor plan. A wide range of sizes in upper and base cabinets, sink bases, and corner "Lazy-Susans" with revolving shelves are available. The entire line features adjustable shelves, flush type doors, doors suspended on nylon bearings, and semi-concealed hinges.

Marietta Depot

(From page 1)

the uniforms of their former high schools.

It was hoped that several other high schools would also be able to participate in the parade but some that have been contacted stated that their bands will not be organized by Saturday the 11th. High school bands are still needed and any schools wishing to be included in the parade are invited to contact Major Remy at the Marietta TC Depot.

Also included in the parade will be the Marietta Community Ambulance. This unit operated by Charles C. Crork, will bring to the community's attention the drive for Ambulance Club Memberships, which is being conducted during the month of September.

Following the parade, the AER Carnival at the Depot will provide a full afternoon and evening of entertainment for young and old. Rides, movies, games will be available and hundreds of prizes will be given away. Cakes, pies, candies, ice cream, cotton candy and balloons will be sold. There will be afternoon and evening concerts and free entertainment. Proceeds of the carnival will go to the AER Fund. All of the prizes, that are to be given away are the result of voluntary contributions to the AER Carnival Fund by the civilian employees and officers of the Depot and by the merchants of the surrounding communities.

Neighborhood

(From page 1)

was appointed fat collection chairman; Mrs. Maurice Bailey, cookie sale; Mrs. George Albert, public relations; Mrs. Robert Hawthorne, camp consultant; Mrs. Arthur Mayer, troop organization; Mrs. Harold Billow, Librarian. Several additional chairman will also be named at a later date.

Mrs. Robert Hawthorne was appointed to head a nominating committee for neighborhood officers. The committee's report will be given at the November in the St. Mark's E. U. B. meeting of the group to be held church.

Orders for next year's Girl Scout calendars will be taken in the near future.

At the end of the meeting Mrs. Lane, chairman, resigned from her position since she will no longer be living in the vicinity. Miss Anna Mae Eby, first vice chairman will be in charge of the neighborhood until election time in November.

Big Names To Appear At York Fair

Believing in the old adage "Variety Is the Spice of Life," Samuel S. Lewis, president and general manager of the York Inter-State Fair, has used the well known maxim as a yardstick in selecting the stellar entertainment program to be presented during the fair's 102nd annual engagement, Sept. 14th through 18th, day and night, rain or shine.

Headlining the diversified program will be such "name" entertainers as Patti Page, the internationally famous recording star; and her instrumental troupe; the Mariners, popular quartet of Arthur Godfrey radio and TV fame, and Sammy Kaye, the "Swing and Sway" bandleader and his orchestra, who will be featured on Wednesday, Thursday and Friday nights, respectively.

Horse racing fans will find a full schedule of trotting races on the fair's half-mile oval in the afternoons, Tuesday through Friday. You will laugh at the mule races each afternoon. For those seeking a thrill, there will be not one—but three—auto daredevil troupes performing on Saturday. Thirty-three action packed events are scheduled for open competition by auto and motorcycle jockeys from Ward Beam's World Champion Daredevils, Billy Green's Canadian Aces, and Flash Jordan's Atomic Hell Divers.

In addition to the featured performers, evening grandstand shows on the big, all-weather stage. Frank Wirth will present his colorful Broadway revue, "Hi, Neighbor." A chorus of 24 long-stemmed beauties, plus 13 great circus and international vaudeville acts, will present a program designed to please every member of the family from the children to grandpa.

A great mid-way, featuring the James E. Strates Shows, and many fine poultry, cattle, agricultural and horticultural exhibits round out the best balanced fair program ever presented by York Fair.

THINK TWICE

If you're thinking about heading for Reno because your marriage is cracking up, you'd better think twice. You may crack up after you get there!

"Accident Facts," the National Safety Council's statistical yearbook, shows that Nevada had the highest accidental death rate of any state in 1953. It was 157.8 per 100,000 population. New Jersey's 41.2 was the lowest.

Although psychologists say emotional disturbances often cause accidents, the Council doubts if there is any connection between Nevada's high number of divorces and accidents.
