each day for three weeks start- bank. ing Sunday, Sept. 19, it was announced at the regular monthly meeting of the Florin Fire Co. Tuesday night. A steel tower was erected on the grounds last weekend and a new siren was placed on top the tower. The siren will be "tried out" each day and every week the time of day for the experiment will be changed.

The code system was also changed. North of the railroad will be two short blasts: south of the railroad, three and out of town, four. Formerly, the siren system in the village consisted of two air-raid sirens each lo-
