Frank C. Hilton Will Head 1955 March Of Dimes

Philadelphia — Appointment of Frank C. Hilton, Secretary of Property and Supplies of the Commonwealth of Pennsylvania, as state March of Dimes chairman was announced today by Basil O'Connor, president of the National Foundation for Infantile Paralysis. Mr. Hilton, a Past National Commander of the Veterans of Foreign Wars, was appointed to his present State position in 1953.

"Mr. Hilton will give the fight against polio a tremendous lift. And we need the kind of vigor and resourcefulness he can give this struggle if we are to bring to a quick end the polio prevention problem."

"It should be emphasized that, although miraculous strides have been made in the search for a polio vaccine, the final answer is not yet in and, meanwhile, there are thousands of persons who need our assistance. Mr. Hilton deserves, and I am sure he will receive, the utmost support that citizens of Pennsylvania can give him," Mr. O'Connor said in announcing the appointment.

The 1955 March of Dimes campaign will run from January 1 through January 31.

Care of polio patients, professional education or newest techniques of polio treatment, post-hospital care and research on polio prevention are financed through March of Dimes funds. The Salk trial polio vaccine which was used in the mass inoculation of 650,000 American children last spring was developed under a March of Dimes grant and its cost in the inoculations paid by the March of Dimes.

Mr. Hilton served in World War II, in the Mediterranean theatre, enlisting as a private and hold the rank of captain at his discharge. He and his wife, the former Viola Rogers of Cambridge Springs, Pa., and their two children, reside at Harrisburg.
