An enthusiastic crowd estimated at between 1,000 and 1,500, gathered at the Mount Joy fire house Saturday night to write success to the Retail Merchants promotion which was initiated during Community Exhibit week and carried forward through last week.

Thirty-one gifts were awarded to the holders of the more than 19,000 tickets distributed. Contrary to the fears of sponsoring merchants that the drawing might take a considerable time, all of the prizes had been claimed after one hour and five minutes.

Only 53 tickets were drawn for the 31 gifts, which indicated an exceptionally good ratio of public participation.

Numerous comments were heard regarding the efficiency which Earl Koser as master of ceremonies and Miller Wolgemuth as assistant handled the event. Miss Joanne Demmy, Miss Donegal of 1954, drew the numbered tickets.

One of the evenings highlights was the presentation of a check for \$100 to the Donegal high school band for its band uniforms. The check was presented by Adam H. Greer, co-chairman with Samuel Balsbaugh of the Retail Merchants division of the Chamber of Commerce.

The band, directed by Geo. Houck and Morrell Shields, played throughout the evening, from 7:30 to 9:30.

Group To Buy Playground Equipment

Playground equipment amounting to \$750 will be purchased by the local School and Home Association for placement in the new school playground to the rear of the school it was decided at the regular meeting last Thursday night. Bruce Brown, chairman of the committee, was authorized to purchase six swings, a glider swing and a merry go round for the playground.

In other business, a change in the by-laws was read but the voting action will take place at the next regular meeting of the group, Thursday evening, Nov. 18. Ralph Rice, head of Cub Scouting, which is sponsored by the association, gave a report on the three dens already set up. He announced that the dens make up one pack and local pack meetings will be held the last Wednesday of each month. Parents are then invited to these pack meetings. He issued a plea for more den Mothers; since at the present time there are only three dens. The group decided to give the Cub Scouting \$50 as a start in their treasury.

It was also decided that if parents wish to have a lengthy discussion with a teacher that an appointment be made instead of taking up too much time during the allotted 7:30 to 8:00 p. m. period.
