## William W. Sangrey Affords Specialized Service

The modern excavator, with his vastly improved methods due to many labor saving devices now at his command, occupies a very important niche in the growth and advancement of our communities and cities. In olden times the sand and stone was carried by hand in baskets or on the back of such beasts of burden which those times afforded. Today we have the motorized vehicle, the dump truck and large conveyances carrying many tons of Mother Earth away from the hole in the ground upon which some struc-

ture will be erected. William W. Sangrey, located in R. D. 2 Millersville, Pa., excavating contractor is in popular favor with the contractors and builders in this community. They are indispensable factors in the upward tread of the community's progress for they have a part in making possible many fine buildings and homes of which this section abounds by excavating the lot on the plot of ground for the start, the beginning of the structure, the foundation. Phone Millersville 4861.

## Metzler's Restaurant Serves Unusually Fine Meals

We Americans are certainly fastidious people. We have certain set standards and rules and have achieved the reputation with our neighboring people, of being particular to the degree of a fault.

And that which we are most critical, more so than anything that can be called to our minds is our food. We like our breakfast bacon crisp, our steak either medium, rare or done. Our coffee must be just so and many other foods in order to suit us must have this or that. We are cranky about this and that if it does not just meet our approval. From this can be gained the

## Mumper's Dairy Wholesome Pasteurized Milk and Dairy Products

Young, old, medium-aged — all require food for the purpose of building new tissues and repairing the old, and also to supply the body with heat and energy. The best foods are those which produce the best physiological results with the least amount of waste. These certain high types of food must be hygienic, digestible, palatable and furnish the nutrients needed by the human system in proper amounts. And with all, these foods must be reasonable in price and within the reach of the greatest number.

Search the entire category of that which we eat and drink and you will not find any food that measures up to these standards in such a comprehensive way as our every-day milk. Mumper's Dairy located at North Hanover Street in Elizabethtown, Pa., is one of our top producers of milk, which is the best all-around—the most perfect food we humans have. The mere fact that here in our good United States over half a billion quarts of milk are daily consumed by rich and poor, infants and the aged, those who are ill, convalescing and well, is proof sufficient of what importance this little thought of commodity is to our well-being and happiness.

The model, sanitary, Mumper's Dairy is deeply appreciative of the responsibility that rests upon their shoulders in their every day endeavor. The careful and deep study which they have made of their business over a period of many years has enabled them to place their business in the foremost ranks in this section. Phone 7-1297 or 7-5118.
