Halloween Party Held For Students

The annual Halloween Party was held in the East Donegal Township Elementary Schools at Maytown on Wednesday, Oct. 28. During the assembly prizes were awarded in the lower grades to Barbara Engle for the ugliest costume, Jill Charles for the prettiest, Jay Linnard for the funniest and Ronald Smith for the most original.

In the upper grades, prizes were awarded to Charles Cunningham for the ugliest costume, Judy Shrum for the prettiest, Harry Arnold for the funniest and Carol Gratch for the most original.

Refreshments were served by the Maytown Parents Club.

Assemblies were announced for the month of November as follows: November 10, "Beaver Valley," a Walt Disney nature film; Nov. 23, Valentines Birds; Nov. 24, Thanksgiving Assembly prepared by the fifth grade pupils and Mrs. Mary Martin.

All the pupils of Washington School enjoyed a Halloween party last week. Practically everyone was costumed. Due to the rainy afternoon a parade could not be held outdoors. However, the children paraded from one room to another.

Awarding of prizes was one of the highlights of the afternoon. The judges were Mrs. Lester Eshleman and Mrs. Laron Smith who found their task was a difficult one. Prizes were given for the prettiest costume, the most comical, the most original, and the last one guessed.

Following is a list of the winners in each grade:

Grade one - Bobby Pardoe, Douglas Epler, David Buller, Rickey Hean, Susan Wagner.

Grade Two - Debra Wolgemuth, Audrey Ginder, Bonita Koser, Mary Ann Brubaker, Billy Buller.

Grade Three - Suzann Eshleman, Kathy Sload, Harry Smith, Richard Heisey.

Grade Four - Vicky Heagy, Lois Nissley, Colin Koser and Jerry Biesceker.

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension
 New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

Even Air Conditioning, if you wish
 Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Easier steering, stopping, clutching
 The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

Tubeless tires as standard equipment
 On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

and Chevrolet's got that long, low "let's go" look
 It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

And look what you see from the driver's seat
 Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view. And you can see all four fenders from the driver's seat!

New Outrigger Rear Springs
 Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

Three drives, including Overdrive
 There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

A ventilating system that really works
 Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.
