**ENTIRE BIBLE IS RETOLD IN PICTURES FOR SUNDAY SCHOOLS**

The story of Creation (above) begins the complete story of the Bible in full-color picture strips for use in Sunday schools throughout the country. "Our Bible in Pictures" is a new feature of Sunday Pix, a 12-page picture weekly that is distributed to more than a million Sunday school students of all denominations. It is the first time such a project has ever been undertaken for Sunday schools. Editors estimate it will take three or four years for the entire Bible, from Genesis to Revelations, to be pictorialized in weekly installments. The David C. Cook Publishing Company of Elgin, Ill., which produces Sunday Pix, decided to undertake it because it feels that cartoon strips, which have been used so long and successfully by newspapers to entertain their readers, are a particularly effective educator. "Our Bible in Pictures" is expected to give its young readers a religious background they will never forget.

To cover picture on the November-December issue of THE UPPER ROOM is a reproduction of the famous painting by Cornelius which depicts the scene when Joseph makes himself known to his brothers. Here is the climatic moment in one of the great Old Testament stories. This issue, too, has a helpful devotion for every day in this month period. Be sure you have a copy. Available at Sloan's or Tyndall's.

**Long's Sunoco Service Station Offers Best Care For Your Car**

Good oil is the lifeblood of a motor. Poor oil is its death warrant. Every day thousands of repair bills are rendered because through indifference or lack of knowledge poor oil finds its way into thousands of crankcases and in consequence, good cars without number find their way to the scrap pile prematurely, because their owners used their crankcases as proving grounds for "any old oil."

Like-wise the selection of gasoline is of just as vital importance to the long life of your motor and machine as the use of proper oils. Poor gasoline with its deficiency of the proper essential combustion properties, makes the motor sluggish, hard to start, affords poor acceleration and causes lack of power.

Long's Sunoco Service Station, in dispensing gas and oils that produce more miles of driving comfort and add to the life of the car, is rendering the community and the motorists of the community a worthy service.

**C. Robert Fry Affords Specialized Excavating Service**

The modern excavator, with his vastly improved methods due to the many labor saving devices now at his command, occupies a very important niche in the growth and advancement of our communities and cities. In olden times the sand and stone was carried by hand in baskets, or on the backs of such beasts of burden which those times afforded. Today we have the motorized vehicle, the dump truck and large conveyances carrying many tons of Mothered Earth away from the hole in the

ground upon which some structure will be erected. C. Robert Fry, located at Manheim, R. D. 2 is an excavating contractor, who is in popular favor with the contractors and builders in this section. He is a factor in the upward trend of the section's progress for it is he who makes possible the many fine buildings and homes of which this section abound by excavating the lot on the plot of ground for the start, the beginning of the structure and the foundation. **Rapp's Restaurant Serves Delicious Meals**

Ponce de Leon, the navigator and explorer of old, sailed thousands of miles and encountered untold dangers and hardships in search of the mythical fountain of perpetual youth. He would be a very surprised individual, if he could see what tremendous strides have been made today in our manner of living in order to gain for us what he so fruitlessly sought, continued youth and good health, which go hand in hand.

Rapp's Restaurant, located at 13 West Market Street, Marietta indeed has every enviable reputation for miles around of serving home cooked food as you yourself would prepare for your own table. The kitchen is spotlessly clean and modernly equipped with the latest stoves and utensils so that the food prepared shall possess a flavor and taste to please the appetite of the most exacting patrons.

The one great element which either bars our chances or helps us attain that goal is food. Our success in life as well as our ability to ward off sickness and help us attain old age, depends on us eating the proper amount

of protein, fats, mineral salts, etc. Rapp's Restaurant, located at 13 West Market Street, Marietta indeed has every enviable reputation for miles around of serving home cooked food as you yourself would prepare for your own table. The kitchen is spotlessly clean and modernly equipped with the latest stoves and utensils so that the food prepared shall possess a flavor and taste to please the appetite of the most exacting patrons.

**Bricker's Diner Serves Nutriciously Cooked Foods**

We Americans are certainly fastidious people. We have certain set standards and rules and have achieved the reputation with our neighboring people, of being particular to the degree of a fault. That which we are most hypercritical about, more so than anything that can be called to our minds is our food. We like our breakfast bacon crisp, our steaks either medium, rare or well done. Our coffee must be just so and many other foods, in order to suit us must have this or that. We are cranky about this and that if it does not just meet our approval.

Bricker's Diner is the eating place for folks from near and far. For here's a diner that fills the requirements of all fine foods, nutritiously cooked foods, foods that bring the jaded appetite to life. Congenial surroundings fit into the picture in a most pleasing manner. The atmosphere seems surcharged with friendliness and not just a cool, "What will you have?"

From this can be gained the fact that Bricker's Diner has no mean task on their hands. Bricker's Diner must bend its services to meet the individual tastes and requirements of all who enter the establishment. Bricker's Diner, located on the New Harrisburg Pike, is popular with the people of this

**J. Miller Eshleman & Son, Landisville, Play Important Role In Upbuilding Section**

A man waving a red flag on the highway — a detonation nearby — a loud report, and smoke—and we continue on our way, little realizing that the stone that was blasted from the earth will shortly play an important and most essential part in the erecting of some skyscraper, the paving of some smooth road, a driveway from the curb to the garage—and the many other ways and means that this most necessary building material is used. We give little if any attention to the procedure except that it has halted us on our journey. Stone to us is just so much hard substance—nothing, to most mortals, more or less.

quality not only in type but in service, and at prices that are right. The products of this quarry have stood both the test of time and the critical inspection and examination of those authorities whose business it is to see that only the best is used in the undertaking over which they have charge. Contractors and builders call up this aggressive individual for their wants, knowing full well the dependability of both the product and the individual — knowing that the delivery will be made on time and as specified.

Stone for roads is the ideal material. In fact, there are very few kinds or types of building construction that stone does not enter the picture in some manner, either directly or indirectly. The quarry operated by Mr. J. Miller Eshleman & Son, Landisville is known far and wide as supplying a quality stone —

All in all, if you specify stone in your building operations you will benefit by receiving a quality product backed by a quality enterprise. The owner and those associated with him are known far and wide as citizens and individuals of a very fine and high type — men who believe in the community and the people who go to make up the community. They are up and coming business men of worthy strain. Phone Landisville 4611.
