**Two Full Time
Carriers Again
Serving Borough**

Acting Postmaster Elmer L. Zerphy reports that due to increased business and two new developments granted city delivery service during the year he is authorized to promote the auxiliary carrier to full time regular position.

This gives the borough two full time regular carriers for the first time since 1950. At that time the two regular routes were consolidated to one regular 8-hour route and one four-hour auxiliary route by the Post Office department.

**LOCAL MAN IN
SATISFACTORY CONDITION**

Henry Mays, 54, of 70 West Main Street, Mount Joy, is in satisfactory condition at the present time in the Lancaster General Hospital. Mays, an employee at the H. K. Landis, Co., Rheems, was injured during the last week in October when he and fellow employees were using an air hose to blow quarry dust from their clothes. A fellow worker pressed the hose against Mays' body and he suffered a ruptured colon. An emergency operation was performed.

**"Gym" Night
Begins Mon.**

"Gym Night" will open Monday night, Nov. 15, at the Mount Joy Elementary School gymnasium it was announced by Charles Fish, chairman of the project sponsored by the Mount Joy Old Timers Association.

Edward Richter, physical education instructor at the Donegal High School, will be the instructor and John Day will be the director. The committee wishes to stress that this night is designed for men of ALL ages. The invitation is issued to those just out of school and those of any older age.

The general set-up for each week will be calisthenics for the first half hour, volley ball, hand ball and medicine ball for the next hour, basketball for the next hour and showers for the next half hour. The men may take part in as little or as much of the 2 1/2 hours of actual play and exercise as they wish.

All men who did not already sign an application are invited to come to the grade school gym the first night and sign up at that time. Sneakers or rubber-soled shoes must be worn for the activities.

**Nov. 20 Deadline
To Enroll In Navy
College Training**

High School seniors and graduates have only until Nov. 29 to apply for the Navy's college training program. It was announced today. Candidates who apply for the NROTC will take the qualifying mental examination on Dec. 11 as the first step in the competitive cycle leading to an appointment as midshipman.

Successful candidates will start their Naval careers in colleges and universities across the country in 1955, with substantial financial assistance from the government. After a normal college education, graduates will be commissioned in the Regular Navy or Marine Corps for active duty with the Fleet throughout the world.

Male citizens of the United States, between the ages of 17 and 21 are eligible to apply for the NROTC aptitude test. Persons who attain a qualifying score will be given the Navy's rigid midshipman physical examination next February. From the pool of qualified candidates remaining in competition, approximately 1,800 young men will be selected for appointment to the NROTC, and the college of their choice.

Students enrolled in the Regular NROTC program will spend their summers on training cruises with the Fleet, and will receive \$600 annual retainer pay until commissioned. In addition to the normal college curriculum, the midshipmen will study a planned course in Naval science. All tuition, fees, and books will be furnished by the Navy.

Applicants in this area can obtain the necessary forms from the nearest high school or Navy recruiting station, or by writing direct to the Chief of Naval Personnel, Washington 25, D. C.
