Sewage Plant At Work In Muncy

The newly built sewage treatment plant at Muncy, Lycoming County, the first to be completed on the West Branch Susquehanna River in connection with the State's Clean Streams programs, has been placed into operation. It is designed to serve a population of 3,000 people and to treat about 300,000 gallons of sewage a day.

When the treatment plant was under construction sewers were built to serve about 40 percent of the borough which had not been previously sewered. An interceptor 2,410 feet long and a 15-inch outfall sewer from the plant to the river, were also built. The newly built system includes a lift station for the pumping of the sewage to the plant from about 80 percent of the borough.

The plant consists of a comminutor, screen chamber, control building and two Inhoff tanks which are for settling out the solids and the digestion of the sludge. The sludge is dried on open beds.

The system was built under direction of a Municipal Authority which issued \$440,000 sewer revenue bonds to finance the clean-up program.

Other municipalities along the West Branch Susquehanna River that are building sewage treatment plants are Williamsport, Jersey Shore and Lock Haven.

Direct Enlistment For Europe Now Being Offered

Direct enlistment and assignment to Europe with the 3rd Armored Regiment is now being offered to men with or without prior service under the Army's new plan, titled "Operation Gyroscope", whereby men will be rotated between state-wide and overseas duty by units instead of individually. It was announced by Sgt. Sonberger NCO in charge of the local U. S. Army Recruiting Station, Post Office Bldg., Lancaster, Pa.

Sgt. Sonberger said that the 3rd Armored Cavalry Regiment which is now located at Fort George G. Meade, Md., is scheduled to leave for Europe on July 1, 1955 to replace a similar unit now stationed there.

The Sergeant wishes to stress that even though the Regiment is scheduled to leave Europe on July 1st, men who are interested in enlisting for this unit must be processed and enlisted no later than Jan. 12, 1955. He also said that only a limited number of men can be accepted for this unit from this area.

The unit rotation plan, "Operation Gyroscope" the recruiting sergeant said, means this to the Army enlistee; rotation with stability, selecting a unit of his choice balanced overseas tours with 33 months in an overseas theatre and a minimum of 31 months stateside. Choice of overseas theatre, assured of travel opportunities, in-service education can be stabilized, such as Army Schools, U. S. Armed Forces Institute, and civilian institutions, regular job concept, fewer family separations and selecting of his enlistment date.

Men in the Lancaster area may obtain more information or apply for enlistment with the 3rd Armored Cavalry Regiment at the Army Recruiting Station located at Post Office Building, Lancaster or phone 4-7724.

LANDISVILLE

Tuesday, Nov. 30 at 8 p. m. the Woman's League of Gettysburg college - Lancaster - Sub-League will hold a meeting at Trinity Church, New Holland. Members of the Student Christian Association and The Chaplain, the Rev. Edwerth Korte of Gettysburg college will present the program.

James Enterline of Salunga and Paul Gochnaver of R. D. 1, Lancaster, will leave for the Army Monday, Nov. 29.

Clothing is being collected for overseas relief this week by the Zion Lutheran church in Landisville. The clothing may be placed in the church basement. This is a Lutheran World Action movement.

Alvin Geltz of Landisville is on the sick list in the Lancaster General Hospital.

Zoning has been proposed for East Hempfield Township. A public meeting will be held on Dec. 8 at 8 p. m. at Hempfield high school to discuss the merits of zoning.

The Luther League of Zion Lutheran church, Landisville, meet weekly at 6:30 p. m. Sundays in the church basement. This past Sunday they held a election of officers. Elected were, president, Janet Charles; vice-president, Nancy Rankin; secretary, Judy Eby and treasurer, Kenneth Melhorn.
