Marietta To Provide For Teenagers

An organization of a Teenage Club for Marietta and the surrounding community is underway at the present time. The purpose of the club is to keep the youths off the streets and away from possible trouble.

Community leaders were at a recent meeting to assist in the organization details. Chief of Police Elias Ebersole proposed a plan for providing for a rifle and a swimming club for the group if they do organize. At the present time, the main object is to find a meeting place.

Donegal High Wins Over M. Hershey

The Donegal Indians, who seem to gain more momentum with each game, stepped into Class A ranks Tuesday evening when they played Milton Hershey, who is currently tied for second place in the strong Central Penna. league, which consists of all Class A schools.

This game, according to all reports, was to be the real test, a test that would possibly determine just how far our boys could go, and go they did!

From start to finish, they were in complete command, and at one time in the Third Quarter were ahead by 30 points. Hershey's big guns, Sanders and Radavsky, who are 3rd and 6th respectively in the Central Pennsylvania scoring parade, were completely bottled up all evening.

The 78 to 54 final score is no indication of the fine exhibition these two teams displayed. It was a case of Donegal getting a fast start and staying out in the front all the way. This victory marked the ninth straight game for Coach Depoe and his Whiz Kids, showing four league wins, and five exhibition games.

All of the starting five played a prominent part in this victory. Metzler, who has all the potentialities of a great ball player, and who always plays a fine game, played one of his better games Tuesday night. He was high man with 24 points. Jay had the crowd buzzing with his array of shots, hooking from outside with either hand, hitting on 12 out of 17 tries, and he also controlled both backboards with 11 rebounds.

Ashenfelter and Heistand, two standouts on defense, intermittently stopped scoring attempts, and Charlie also scored 17 points and had 7 assists. Kugle also played his usual fine game, scoring 15 points, and assisted on 5 scoring plays. Grove, the last member of the starting five, scored 10 points and played equally well on defense.

Friday the 14th Donegal travels to Hempfield for a league game.

Marsh Gemberling's JV's lost the opening game.

DONEGAL JUNIOR HIGH TAKE LEAD

Under The Basket

The local Mt. Joy Merchants won their 10th game of the season as they defeated Tri-Town 76-65 on the Edward Hand Jr. High floor in Lancaster.

Playing without the services of Clinger, Meminger, Germer, F. Zimmerman, and their coach, the team played rather listlessly the first half. The result found them behind 26-22. With Zimmerman, Hershey, Klugh, Shuman, Flick and Geib finding the fange, the locals gained a small lead 47-46 at the start of the final period. This last quarter found Hawthorne coming through with four field goals along with Zimmerman three and 2 fouls.

B. Zimmerman led the team in scoring with 25 points although each player had a part in the scoring.
