

**Reach, Don't Run —
Get an Extension
Telephone**

The best way to win a race to the telephone before it stops ringing is to get an extension. Then when it rings you can reach instead of run.

An extension telephone is a real time and step saving convenience that everyone can use. And too, an extension can give you privacy when making that important call.

Call our business office today, for full information on this low cost convenience.

Columbia Telephone Co.

Mount Joy, Pa.,
Sunday 27 13
