

GO TO CHURCH THIS SUNDAY

Give your children
real security...

We don't mean the nicest house in the best neighborhood... the newest, sleekest car...; the right schools, the right camps.

We're talking about the kind of security they can't do without... the kind that comes from inside.

Faith. In God, in life, in themselves.

For life is no game for spiritual sissies. Only Faith... the armor of the spirit... will give them the stamina to meet it courageously, no matter what it brings.

You can show your children where to find faith... how to build it day by day, if you make praying a family affair.

Light their life with *Faith* BRING THEM TO WORSHIP THIS WEEK

Believing that America's only hope lies in renewing our faith in God—The following urge you to attend and support some place of worship in your community.
