**ALL AMERICA SALUTES AN ALL AMERICAN Happy Birthday! American Legion!**

After 36 Years—Still Serving the Community, State and Nation!

The American Legion will celebrate the 36th Anniversary of its birth March 15 to 17, 1955. All America joins in a salute to this "All American" team.

It's been a long, long trail from Paris, France, when on those March 15 to 17 dates, a handful of AEF veterans met to organize The American Legion.

The American Legion, the world's largest veterans' organization, has been dedicated always to the interests of America and the defenders of America—dedicated from its inception to continue serving "For God and Country".

Another of its prime purposes has been to "inculcate a sense of individual obligation to the community, state and nation." The American Legion programs of Americanism, Child Welfare, National Security and Rehabilitation were founded on those basic principles.

We wish all American Legionnaires all over the world a Happy American Legion Birthday. Eligible veterans of World War I, World War II and the Korean War can help make it the greatest by joining The American Legion today.
