**Tuna Ring Is A Distinguished Main Dish For Meatless Meals**

Pineapple slices add a bit of glamor and interesting texture.

When you put your ring mold to work, you add a bit of sparkle to everyday foods. A main dish distinguished enough to star on any table is our Tuna-Pineapple Ring. High in nutrition with milk, egg, tuna, bread crumbs and celery, it takes on glamor and interesting texture with cut slices of pineapple arranged in the bottom of the mold. Either green beans or peas may be used in the center of the ring. Substantial, it needs no more than a combination or fruit salad with rolls and butter for a main dish for a meatless meal. A sweet dessert and beverage would complete the menu.

**TUNA-PINEAPPLE RING**

2 cans (7 oz.) tuna (2 cups)  
1 tablespoon lemon juice  
1 cup medium white sauce  
1/2 cup milk  
1/2 teaspoon salt  
1/2 teaspoon pepper  
1/2 teaspoon Worcestershire sauce  
1 egg  
1/2 cup sliced celery  
1/2 cup dry bread crumbs  
4 slices pineapple

Flake tuna and add lemon juice, white sauce, seasonings, egg, celery and bread crumbs. Mix well. Thoroughly grease the bottom and sides of a 9-inch ring mold. Cut pineapple slices in half crosswise and arrange around the bottom of ring mold, placing cut side to the center. Spoon tuna mixture over pineapple. Bake in a moderate oven (350 degrees) for 40 minutes. Serves 6.

Run spatula around edge to loosen and unmold on serving plate. Fill center with cooked green beans or peas. (One pound beans fills center.)

THE BULLETIN, Mount Joy, Pa. Thursday, March 17 10

**LOCAL SCHOOL CLOSED WEDNESDAY**

No school was held Wednesday in the Mount Joy Elementary School. Since one day has been saved previously in case the school might have had to be closed because of snow, Charles Heaps, principal, decided to close the school Wednesday. Teachers were given the opportunity to attend the Flower Show in Philadelphia and students were given the day to rest following a trip to the basketball game Tuesday night at Upper Darby.
