Merchants Cage Team Wins Title; Makes Plans To Play Next Season

The local Merchant basketball team has asked their coach, George Houck, to organize them for next year. After winning 25 games this year, including a play-off championship, Houck is seeking players to strengthen the team for next year. The following players have indicated their desire to play: Harry Hershey 6-1, Bill Zimmerman 6 ft., Henry Klugh 6-3, James Meminger 6-2½, Jim Johnson 6-3, Donald Germer 6 ft., Richard Rhoades 6-3 from Manheim, who was second to McCue in '50 in Section 1 scoring, Gordon Sarbaugh 5-10 from Columbia, who should strengthen the team with his outside shooting, Earl Shuman 5-9, Donald Geib 5-10, Robert Flick 5-10, Frank Zimmerman 5-9, John "Buzz" Bowman 6-3 is being contacted in hopes that he will be available.

If a 15 man squad is carried there will be a need of five more suits that should cost approximately \$60. (This includes lettering.) Another ball is needed that would cost approximately \$18. Another 28 game schedule would cost approximately \$150. If each player donated \$8, there would be a need of \$125. To be donated by Merchants or interested fans to sponsor the team next year. No coach should be paid to manage the team. In fact the present coach assisted by donating \$16.50 toward this year's team.

The present team had \$375. of expenses this year including 10 uniforms and jackets, 1 ball, 1 stop-watch, a score book and

Under The Basket

The Mount Joy Merchants won their first championship in their first venture as a team when they defeated Local 285 by the score of 77-70 in the final games of the series for the Play-off championship.

It was a tremendous job well done by the locals as they had to defeat a strong Lancaster Merchant team in the first round play-offs in a best of three series in order to gain the final round. After losing the first game 79-70 to Local 285 it appeared as though the locals were doomed but due to the fine playing of the Merchants rebounded with a decisive win 79-64 to even the series at one all.

The final and deciding game proved the ability of the Merchants to play as a team. First, Johnson was unable to play, Germer could not get to the game until the third quarter and finally Shuman injured his ankle close to the end of the first half and since Coach Houck did not want to take a chance with the ankle, Shuman remained out of the game during the second half.

At the end of the first half the locals led 39-31. Shuman, Hershey, Meminger, Zimmerman scored the points with 9, 9, 7, and 14 respectively.

The loss of Shuman was made up with the scoring of Flick and F. Zimmerman and the rebounding of Germer in the third quarter. The fine play of Hershey must not be overlooked. Harry's fine rebounding and 16 points greatly aided in the victory.

Maytown rallied in the last half of the final period, dropping the tying bucket with only 10 seconds remaining.
