## Y-Teen Chairman Speaks To Florin Lions Club

Mrs. Daniel Kreider, Lancaster, representative of the Y. W. C. A. in charge of Y-Teens, was the guest speaker at the meeting of the Florin Lions Club on Monday night. Mrs. Kreider gave a talk on the interpretation of the Lancaster YWCA with regard to its growth and the facilities that it has to offer. Some of these facilities are classes of swimming, gymnastics, slastics, bridge, painting and pottery. The "Y" is the hangout Saturday nights for children's dancing. Sunday nights, it is a meeting place for young adult clubs who participate in games and dancing. Wednesdays is the "holiday for wives day" which even included nursery facilities.

All staff personnel are trained college women. She further explained character development by working together as a Christian body, barring no one because of creed, nationality or race. The meeting was held at the Clearview Diner with Benj. Staley, president, in charge.

## Pre-School Enrollment Scheduled In Manheim Central District

Pre-school enrollment will be held again this year in all the Manheim Central Elementary Schools. Schedules have been planned for each building with the time and dates listed below. Letters are being mailed to all parents advising them when and where their children will be examined. By this means, it is hoped to minimize crowded conditions and long waiting periods. Parents who have received no information by letter should bring their children to the school in this vicinity. Children must be 6 years of age on or before January 31, 1955, in order to enter school this fall.

Manheim Elementary — April 12, 1955 - 8:30 A. M.  
 Manheim Elementary — April 13, 1955 - 8:30 A. M.  
 Manheim Elementary — April 14, 1955 - 8:30 A. M.  
 Fairland Elementary — April 19, 1955 - 8:30 A. M.  
 White Oak Elementary — April 20, 1955 - 8:30 A. M.  
 Mastersonville Elementary — April 21, 1955 - 8:30 A. M.  
 Sporting Hill Elementary — April 26, 1955 - 8:30 A. M.  
 Sporting Hill Elementary — April 27, 1955 - 8:30 A. M.

There are three phases to the examination, and all three will be given the same day. There is the Maturity Test, Physical Examination and the Dental Examination. These results will help determine your child's readiness for school, and will also be of invaluable assistance in helping parents to prepare the child for the coming term.

Please bring the following papers with the child:

1. Birth Certificates
  2. Vaccination Certificate
- The school would appreciate knowing as soon as possible, the names of those children who will not enter this fall. For further information, parents are asked to contact the principal of the school, or the Elementary Supervisor at the Manheim Elementary Building.

## Firemen Fight \$1,000 Blaze

Mount Joy firemen responded to a fire call at 4:00 a.m. Tuesday morning when a garage burned resulting in a \$1,000 damage. Firemen were called to a garage owned by Abram Rinehart along North Alley, running parallel to Mount Joy Street. Included in the fire loss were the frame garage and tools which were stored within the building.

Mrs. Rinehart discovered the fire and summoned the company. Firemen were able to save the adjoining buildings and chicken house. The chickens were saved from fire. Ray Myers, fire chief, issued the statement that the fire is of a suspicious origin. He will investigate the matter.

Another fire occurred at the Rinehart garages last December. At the time, the fire was thought to have been started by a cigarette.
