MOUNT JOY BOROUGH SCHOOL PER CAPITA TAX

The School District of the Borough of Mount Joy gives notice that its School Board intends to adopt a resolution on May 5, 1955, (at 7:00 p. m., standard time, at Mount Joy Grade School Building.) imposing a per capita tax of \$5 for the school year 1955-56 on each adult resident of said School District, under the provisions of the Act of 1947, P. L. 1145, as amended, in addition to the \$5 per capita tax authorized under the School Code of 1949. Imposition of this additional tax (from which it is estimated that \$4055.00 annual revenue will be derived) is necessitated because of increased school costs; because the per capita tax authorized under the School Code is limited to \$5; and because it would be inequitable to property owners to collect the entire amount of said increased costs by real estate taxes. **MOUNT JOY BOROUGH SCHOOL DISTRICT** By Dorothy Kippie, Secretary 14-3c

A "New Angle"

You will never see a car in this position, but Chevrolet engineers did recently, when they hung the car by the front axle to make X-frame pictures. The man behind the wheel knows how the Navy's XFV-1 "Pogo Stick" plane pilot feels when he's ready for a vertical takeoff. The chain holding the convertible has been retouched out of the picture.

SALE WELL ATTENDED The sale held by C. N. Hershey Tourist Home, near Rheems last Saturday was well attended. An English brewery offered to help the Red Cross blood donor drive by exchanging beer, pint for pint, for blood.

NOTICE!

In order to collect damages on our Poultry Ranges caused by dogs or other predatory animals, we have to notify the proper State authority. This same authority will then check the immediate neighborhood for stray dogs and other dogs with which they come in contact. This notice is given so that you will not be embarrassed in case the Authorities check the neighborhood for unlicensed dogs.

No other low-priced car even comes close

to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving! There's silky, peppery Powerglide (even better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key! There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!
