### Hi-School Corner

By MARY SMITH  
Class of '58

On Friday, April 15 the Church Choir of D. H. S. gave an assembly program of songs that they will present in the churches, to which they have been invited.

Our club program has now been established at Donegal. Many of the club activities will be very interesting. The astronomy club journeyed to Franklin and Marshall College Friday evening, April 22, to visit the planetarium and the Museum Mr. C. A. S. Hollinger is their advisor.

The Junior Student Council of Donegal High is sponsoring a Teen-age Night. The tentative dates are May 10 and 17th, the time will be from 7:30 - 10:30. Dancing and other activities will be planned and refreshments will be sold.

The Sophomore class will sponsor the annual May Hop. The date has not yet been announced.

The Senior student council is sponsoring noon-time dancing in periods 5 & 6. This is an activity everyone would like to see continued. (We would like to remind you that the gymnastic equipment is for use in gym classes only.)

The assembly on Friday, April 22 was presented by the Donegal High School band, under the supervision of Mr. Morrell Shields. Sara Jane Portner directed the band on their first number, a march. Special lighting was used to emphasize the meaning of the songs played. They gave a preview of their Spring Concert. Bruce Hoffman narrated "Little Bop Riding Hood."

Mr. Houck, our music supervisor is planning a talent show to be given as an assembly program. Let's help make this a big success. It is to be given next month.

May 12, 13 and 14 the Donegal High School chorus will present the musical hit "South Pacific." It will begin at 8:00 p.m. All tickets are 35c. This production is under the direction of Mr. Geo. Houck.

On May 6, the Juniors will hold the annual Junior-Senior Prom. A dawn party will be held in the Mount Joy Elementary School gym from 11:30 to 3:00 a.m. The dawn party is sponsored by the JoyCees and JayCees.

May 2nd, the Hi-Y and Y-teens are sponsoring a roller skating at Rocky Springs Park. Donegal students and their friends are invited, the price is 30c — buses will run for a small fee.

On April 28, the Spring Concert will be held, which will include the first & second bands, the string quartet, and the orchestra. The band will be wearing their new uniforms.

### \$5,000 Contest Entry Forms Available At Local Store

Way's Appliances, 48 West Main Street has announced a nation-wide letter writing contest sponsored by the manufacturer of all-plastic 1955 Cadillac model assembly kits.

First prize is a real \$5000 Cadillac Coupe de Ville. Second prize, a \$1000 U. S. Savings Bond; third, a \$500 U. S. Savings Bond and seven additional prizes of a \$100 bond each for the fourth to tenth place winners. In connection with the contest, stores selling Cadillac kits to winning contestants also share in special cash awards.

To enter the contest it is necessary only to finish this sentence in 25 words or less—"I like the Monogram all-plastic Cadillac model because—". Entry must be on the official entry blank containing all information and simple rules, packed with each Cadillac model kit. Kits and completely finished models, 11 1/4 inch long are on display at Way's Appliance Store.

Kits are manufactured by the Monogram Models, Inc., Chicago, sponsors of the contest, under authorization and control of General Motors Corporation.

Horse racing is at least 3,000 years old.

## 200 BLAZING HORSEPOWER at the lowest cost in history!

...plus size, luxury and styling unsurpassed at the price!

**THE SENSATIONAL STRATO-STREAK V-8**  
Here's the most modern and efficient V-8 in the industry, delivering 200 horsepower with the four-barrel carburetor, optional at very low extra cost.

It's a fact—never before in the history of the automobile industry has a car offered so much power for so little money as the 1955 Pontiac. It is the first and only automobile ever built that delivers 200 horsepower at a price every new-car buyer can afford—hundreds of dollars less than any car equalling its blazing performance.

And that's not all! Pontiac is also the sole automobile at its price to unite the terrific "drive" of 200 horsepower with a road-leveling 122" or 124" wheelbase and such big-car stability. It's the biggest as well as the highest-powered car ever priced with the lowest.

Yes, you read that right! You can buy a big,

powerful Pontiac for less than many models of the lowest-priced cars or stripped economy models of higher-priced makes.

Come in and drive this silken-smooth performer. A few miles behind the wheel will tell you better than any words that Pontiac is the greatest buy that ever took the highway!
