\$5.00 SCHOOL PER CAPITA TAX

The School District of the Mount Joy Township of Mount Joy, Pa. gives notice that its School Board intends to adopt a resolution on May 30, 1955 at 8 p. m., standard time, at Florin, Pa. School Building) levying a per capita tax of \$5.00 for the school year 1955-56 on each adult resident of said School District, under the provisions of the Act of 1947, P. L. 1145, as amended, in addition to the \$5 per capita tax authorized under the School Code of 1949. Imposition of this additional tax (from which it is estimated that \$3,200.00 annual revenue will be derived) is necessitated because of increased school costs; because tax authorized under the School Code is limited to \$5.00; and because it would be inequitable to property owners to collect the entire amount of said increased costs by real estate taxes.

toward helping us put it over; also the friends of Jay Metzler who helped to honor him in the style that they did" said president Groff.

Through the efforts of friends and neighbors of Jay, luggage was presented to him for his outstanding accomplishments.

The guest speaker, Bernard Santaniello, offered praise for Mount Joy and vicinity to follow the school sports. He felt that Mt. Joy helped pioneer the sports program of the county. He also feels that the younger generation should help to carry on the responsibilities of the association. Several points that he offered were—don't give up when you're down; you deserve what you get. God took care of the loser as well as the winner and must have to hustle, sportsmanship and fortitude to play sports but above all, have faith in God. Upon completion of his speech, he was given a rousing applause for his thoughts.
