**E-TOWN LIONS CLUB TO HAVE BARBECUE**  
The Elizabethtown Lions Club and the Elizabethtown area high school band club board of directors met recently to plan for the Lions-Band club chicken barbecue, to be held on Saturday, June 11, at the E. A. H. S. athletic field.  
They appointed Arthur K. Greiner and Wilbur E. Weaver general chairman for the event. Tickets are now on sale from any Lion or band club member.  
There will be a band concert from 4 to 8 p.m. It is open to the public and they expect thousands of people to attend.  
The proceeds are for the band club uniform fund and Lions activity fund.

**Warns Against 'Old Refrigerator' Death Traps**  
In connection with Pennsylvania Power & Light Company's continuing campaign to abolish the discarded refrigerator hazard to children, G. T. Storb, P. & L. Lancaster division vice president, yesterday called attention to a new state law concerning old refrigerators.  
According to a bill passed by the state legislature and signed by Governor Leader last month, Mr. Storb pointed out, a person discarding refrigerators or iceboxes with attached lids or doors in any place accessible to children is liable to a maximum penalty of 30 days, imprisonment and a \$50 fine. Owners or managers of property accessible to children who permit dangerous refrigerators to remain on their property face similar punishment under the new law.  
Mr. Storb explained that approximately three million refrigerators, iceboxes and freezers are discarded annually. All represent potential death traps for children if not properly discarded. As many as five children in a single family have perished in this fashion in recent years and already a number of deaths have been reported this year.  
The utility executive explained that "we are entertaining the crucial May to September period. In these months, with children on vacation, this type of accident occurs more frequently."  
In an effort to eliminate this serious threat to youngsters, PP&L last June 6, in cooperation with National Safety Council and National Electrical Manufacturers' Association, instituted a campaign that has had national recognition for its leadership in this direction.

**WHITE ELEPHANT PLANNED**  
Members of the Mount Joy Friendship Fire Company Auxiliary are reminded that the regular meeting of the group to be held next Thursday evening will be in the form of a White Elephant social. Members are asked to bring 50c gifts.

**FIRST GRADE TESTS GIVEN**  
Pre-school tests were given to the kindergarten children this week by Mrs. Jack Toppin, kindergarten teacher. In addition to these children, four tests were also given to children who did not attend the kindergarten sessions.  
Clay pigeons are not made of clay, but asphaltum.
