## Playground

(From page 1)  
 the morning sessions. A similar number of games will also be introduced in both the intermediate and beginners groups during the morning sessions.

In the afternoons, Miss Bigler will be in charge of craft work which will be offered to the 3 groups. Different crafts for the various age groups will be offered. Friday of the first week which will be entitled "game week", team captains will be selected.

**New Attendance System**  
 Three boards will be placed at the park club house on which will be listed each registered boy and girl's names. Using different colors to distinguish among the three groups, the participants will move red, yellow and white pegs beside their name. In the beginning of each session, the peg will be moved from "out" to "in" and vice versa leaving the park.

A point system will again be used for the games, contests and attendance. At the end of the season, which will officially end August 19, awards will be made at "awards night" program. The top boy in each of the three groups will also be honored the same night.

**Other Features Named**  
 Again this year, plans will be made to visit Marietta, Columbia and Elizabethtown playgrounds. Hobo picnics are also being planned.

Tentative plans also call for swimming lessons at the Hershey Park pool for the regular attending members. A rounded schedule of various games will be used for the playground.
