LET Pontiac's Record-Breaking Sales

BE YOUR GUIDE TO THE BUY OF THE YEAR!

No Car Within Hundreds of Dollars Is So Big... So Powerful... So Smart!

America knows value... and is making today's Pontiac the most popular Pontiac ever built! And it's no wonder, because Pontiac provides so much more of everything you want in a fine car.

If you're looking for big-car size, Pontiac has it—where it counts! Pontiac's long 122" or 124" wheelbase smooths the bumps and tames the curves. And this same bigness outside gives you more room inside—room to stretch out and relax, room to enjoy the sheer satisfaction that comes from the knowledge you're driving one of the biggest without paying the usual big-car price!

Or if your first concern is power—here again Pontiac's your car! No car anywhere near it in price puts so much get-up-and-go under so trim a hood.

Its husky 200-horsepower Strato-Streak V-8* is ready, willing and more than able to make any kind of driving a dream—and with the economy and ruggedness that are Pontiac trade-marks.

When it comes to style—Pontiac really stars! Here's where the designers took a long look ahead and came up with more than a beauty—they came up with an all-new pattern that sets Pontiac apart with a personality all its own.

All this adds up to something very unusual in cars—and Pontiac puts it within the easy reach of any new-car budget!

Right now—today—record-breaking thousands are discovering that a truly fine car needn't carry a high price. Why not come in soon and see for yourself?

*Optional at low extra cost; 180 h.p. standard.
