Three Teachers Elected For Donegal High

Three teachers were elected to the Donegal High School faculty at the regular meeting of the group last Thursday evening. Grant Miller was elected to teach vocational agriculture. Mr. Miller graduated from Pennsylvania State University and formerly taught at McVeytown High School.

Victor Stehman of Columbia was elected to teach geography and science in the junior high school. Mr. Stehman is a graduate of Columbia High School and Millersville State Teachers College. He recently completed a two-year term in the U. S. Army.

George Kauffman was elected to teach boys physical education. Mr. Kauffman is a graduate of Altoona High School and Lock Haven State Teachers College. He also attended Pennsylvania State University and Millersville State Teachers College and has taught at the New Holland and West Lampeter High Schools.

The board gave the authorization to the authority group to have five acres of the ground to the rear of the high school graded for sports purposes. The land will include spaces for a hockey field, baseball diamond and football field. Also included in the summer's program will be an additional road which will give an opening into the road which connects the Marietta road and Pinkerton Road.

Stewart and March of York will do the grading and C. J. Bashore was awarded the plumbing contract. The electrical contract will not be awarded for an additional thirty days since the group is seeking the most satisfactory arrangement for electrical work.

L. B. Herr and Son received the contract for general supplies and paper as the low bidder for the high school and the elementary schools in the four districts. Their bid was \$5,667. They were also awarded the art supply bid for \$2,228. For the same schools. Allied Surgical Company, Lancaster, was awarded the medical supplies bid of \$309.28.

Announcement was made that ten typewriters from the commercial department will be sold. Any resident of the area may purchase these typewriters at trade-in prices since ten new machines will be placed in the department. Residents interested are asked to get in touch with officials within the next two weeks if interested.

The matter of a school savings plan was also discussed. According to the authorities, the five banks located in the district are willing to go along with the plan if the students desire to have it included in the school program. At the beginning of the school term, a questionnaire will be sent home with the students asking whether or not they and their parents are in favor of the proposed project.

Musser Heisey, president, was in charge of the meeting.
PAPER DRIVE PLANNED
The monthly paper drive of the Florin Boy Scouts will be conducted Saturday, July 30. The Scouts have appreciated the cooperation of the residents in having the papers in readiness and near the curb for each pick-up.
