

LABOR DAY

is our tribute to the toiling hands that built our nation. The Bible commends honest labor; yet, even this cannot achieve for us life's most worthwhile possession—eternal life. It is the GIFT of God. *The gift of God is eternal life through Jesus Christ our Lord.* Romans 6:23

some Teen Vacation time tips

We know the telephone starts jumpin' the minute school's out for the summer. Teens have a lot to talk about and plan. That's fine because the telephone is for talking. If teens will just remember that everyone has to use the phone there'll be no problem. For example talking on the telephone and watching television at the same time can cause your conversation to stretch out too long. So please—use the line sparingly—won't you? This way, service will be faster for everyone—including you.

THIS is the time to have your oil burner checked

The summer months are the best time to give your oil burner a thorough cleaning. We remove soot and carbon from the sides of the boiler and combustion chamber. This assures more efficient burning, more efficient heating for you next winter.

While we're at it, let us fill your tank with Atlantic's famous triple-refined heating oil. A full tank provides summer protection from condensation and the formation of burner-clogging rust particles. When cold weather rolls around, you'll be mighty glad you called us today!
