Advertising increases Sales

Sales increase profits; increased profits mean increased prosperity for business, for the workers, and for the community. Everybody has a stake in advertising; everybody profits from good advertising.

What Advertising Does . . .

When someone starts advertising,
Someone starts buying;
When someone starts buying,
Someone starts selling;
When someone starts selling,
Someone starts making;
When someone starts making,
Someone starts working;
When someone starts working,
Someone starts earning;
When someone starts earning,
Someone starts buying;

An endless chain, so to speak, and the merchant who doesn't advertise and advertise regularly is doing nothing if he isn't breaking links in this endless chain.

Simply Dial 3-9661 Mt. Joy, and a skilled ad writer of The Bulletin, a newspaper brimful of reader interest—about everything that happens in this community—will be glad to place your merchandise before the reading public.
