Luxury and Performance Combined in New Buick Special

Big car luxury and performance are combined in Buick's medium priced four-door hardtop sedan in the Special series. Powered by a 322 cubic inch, 220 horsepower engine, the Special boasts one of the biggest power plants of any car in its class. All the beauty of Buick's distinctive styling, including the new front end, full rear wheel cutouts and luxurious interiors are featured on the Special series. Dynaflo, power steering, power brakes and dual exhausts are optional on the Special.

ENGAGEMENTS

WILLIAMS — MILLER

Mr. and Mrs. Harry J. Williams, 209 West Donegal Street, announce the engagement of their daughter, Nancy, to Enos Miller Jr., son of Mr. and Mrs. Enos Miller, Willow Street. No date has been set for the wedding.

STARLIPER — WILLIAMS

Mr. and Mrs. John Cameron Starliper, 15 S. Valley Road, Paoli, Pa., have announced the engagement of their daughter, Jean Elizabeth Starliper, to Lawrence K. Williams, son of Mr. and Mrs. Freeman G. Williams of Bellows Falls, Ver-

mont. Miss Starliper is a graduate of Tredyffrin-Easttown Joint High School, Wilson College, and The Gatharine Gibbs School, New York. She is employed as a research librarian at Louisville, Ky., by Joseph E. Eagram & Sons, Inc.

Mr. Williams is a graduate of Bellows Falls High School, Tufts University, and the University of Illinois. Now in the Army service, he is stationed at the Army Medical Research Laboratories, Fort Knox, Ky.

A December wedding is planned.

Miss Starliper is a granddaughter of H. H. Krall.

Mr. and Mrs. J. T. M. Brene-

AMBULANCE TAKES THREE TRIPS IN WEEK

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that

extra surge, it's there *instantly*—and in extra abundance.

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
