Sue Fellenbaum, Asher Halbleib, Miriam Nell, Emily Nissley, Miriam Roland, and Peggy Wolfe, are the seniors who took a preliminary screening test given in the high school on since 1825, foretells a blustery competition is open to all secondary schools, and is the largest program of its kind.

The scholarship program is conducted by the National Merit Scholarship Corporation, an independent, non-profit educational organization set up by grants of \$20,500,000. Aimed at the discovering and helping the most talented students in the country, the Merit program permits the winners, known as Merit Scholars, to choose any accredited college or university and any course of study.

Some 800 runners-up in the competition will be awarded Certificates of Merit, and their names will be announced to all colleges and other scholarship agencies as students of unusual
